CALL TO ORDER, ROLL CALL

CERTIFICATION OF QUORUM

PLEDGE OF ALLEGIANCE

PUBLIC COMMUNICATION (NOTE: THERE WILL BE A THREE-MINUTE TIME LIMITATION)

EMPLOYEE OF THE YEAR

CITYWIDE ADVISORY BOARD UPDATE

CONSENT AGENDA

Items on the Consent Agenda may be removed at the request of any Commissioner and considered at another appropriate time on this agenda. Placement on the Consent Agenda does not limit the possibility of any presentation, discussion, or action at this meeting. Under no circumstances does the Consent Agenda alter any requirements under Chapter 551 of the Texas Government Code, Texas Open Meetings Act.

CONSENT ITEMS

1. Presentation, Discussion, and Possible Action regarding the Approval of the Board Minutes Summary for the Board Meeting held on August 20, 2026

ACTION ITEMS

2. Updates on Boys and Girls Clubs youth program and partnerships
3. Updates on Communities in Schools youth program and partnerships
4. Presentation, Discussion, and Possible Action on Resolution No. 02963 by the Board of Commissioners of the Housing Authority of the City of Austin d/b/a Austin Housing Authority (the “Authority”) authorizing the Authority to take such actions necessary or convenient to facilitate the bridge loan and/or term loan to Bridge at Volente, LLC (the “Company”) for the Bridge at Volente (the “Development”)
5. Presentation, Discussion, and Possible Action regarding Resolution No. 02964 Approval of Contracts for Furniture and Audio/Visual Equipment for Austin Housing Authority Headquarters Phase 2 Renovations
6. Presentation and Discussion of Proposed Housing Choice Voucher Program Administrative

Plan Revisions for Public Comment

7. Presentation and Discussion of the Draft 2027 Public Housing Authority (PHA) Annual Plan

EXECUTIVE SESSION

The Board may go into Executive Session (close its meeting to the public) Pursuant to: a. 551.071, Texas Gov't Code, consultations with Attorney regarding legal advice, pending or contemplated litigation; or a settlement offer; b. 551.072, Texas Gov't Code, discussion about the purchase, exchange, lease or value of real property; c. 551.074, Texas Gov't Code, discuss the appointment, employment, evaluation, reassignment, duties, discipline, or dismissal of a public officer or employee; or to hear a complaint or charge against an officer or employee. d. 551.087, Texas Gov't Code, discuss certain economic development negotiations.

OPEN SESSION

If there is an Executive Session, the Board will return to Open Session for discussion, consideration and possible action of matters discussed in Executive Session.

REPORTS

The Board will receive program updates from the President/CEO and other senior staff.

ADJOURNMENT

"Pursuant to 30.06, Penal Code, (trespass by holder of license with a concealed handgun), a person licensed under Subchapter H, Chapter 411, Government Code (handgun licensing law), may not attend this meeting with a concealed handgun."

"Pursuant to 30.07, Penal Code (trespass by holder of license with an openly carried handgun), a person licensed under Subchapter H, Chapter 411, Government Code (handgun licensing law), may not attend this meeting with a handgun that is carried openly."

"En virtud del 30.06, Código Penal, (traspaso titular de licencia con una pistola), una persona bajo el subcapítulo H, capítulo 411, código de gobierno (Ley de licencia de arma o pistola), no se permiten en este reunión con una arma o pistola.

"En virtud de 30.07, Código Penal (prevaricación por titular de la licencia con un arma o pistola abiertamente llevado), una persona bajo el subcapítulo H, capítulo 411, código de gobierno (Ley de licencia de arma o pistola), no se permiten en esta reunión con un arma o pistola que lleva abiertamente.

*Austin Housing Authority (AHA) Board of Commissioners reserves the right to discuss and consider items out of order on the agenda on an as-needed basis.

The Austin Housing Authority is committed to compliance with the Americans with Disability Act. Reasonable modifications and equal access to the communications will be provided upon request. Meeting locations are planned with wheelchair access. If requiring Sign Language Interpreters or alternative formats, please give notice at least 2 days (48 hours) before the meeting date. Please call Nidia Hiroms at AHA at 512.477.4488, for additional information; TTY users route through Relay Texas at 711. For more information on AHA, please contact Nidia Hiroms at 512.477.4488 x 2104.

AUSTIN HOUSING AUTHORITY BOARD OF COMMISSIONERS REGULAR BOARD MEETING

August 20, 2026

SUMMARY OF MINUTES

THE AUSTIN HOUSING AUTHORITY (AHA) BOARD OF COMMISSIONERS REGULAR BOARD MEETING NOTICE WAS POSTED FOR 12:00 PM ON THURSDAY, AUGUST 20, 2026, AND WAS HELD AT PATHWAYS AT CHALMERS COURTS EAST, 1700 E. 3RD STREET, AUSTIN, TX

CALL TO ORDER, ROLL CALL, CERTIFICATION OF QUORUM

Carl S. Richie, Jr., HACA Chairperson called the Board of Commissioners Regular Board Meeting of the Austin Housing Authority, of August 20, 2026, to order at 12:08 pm. The meeting was held at Pathways at Chalmers Courts East, 1700 E. 3rd Street, Austin, TX

Roll call certified a quorum was present on the call.

MEMBERS PRESENT:

Carl S. Richie, Jr., Chairperson
Dr. Tyra Duncan-Hall, Vice-Chairperson
Mary Apostolou, 2nd Vice-Chairperson
Edwina Carrington, Commissioner via Zoom
Barbra Boeta, Commissioner

MEMBER(S) ABSENT:

SWEARING-IN OF RECENTLY REAPPOINTED COMMISSIONER APOSTOLOU

Chairperson Richie administered the Oath of Office to Commissioner Apostolou.

ALSO IN ATTENDANCE:

Bill Walter, Coats Rose
Sarah Scott, Coats Rose

STAFF PRESENT:

Ann Gass, Amari Smith, Barbara Chen, Darrina Green, Jimi Teasdale, Jorge Vazquez, Katie Richardson, Kelly Crawford, Ken Bodden, LaPread Stallworth, Leilani Lim-Villegas, Michael Gerber, Michael Roth, Nidia Hiroms, Nora Velasco, Ron Kowal, Sylvia Calderon and Suzanne Schwertner

PUBLIC COMMUNICATION - None

CITYWIDE ADVISORY BOARD (CWAB) – Lupe Garcia, Citywide Advisory Board President, reported that the July CWAB Meeting was held on Tuesday, July 14, 2026. ●**Michael Gerber**, AHA President & CEO congratulated PAMI property management staff for scoring 90 or higher during property inspections. ●**Mike** asked the Citywide Advisory Board for their support of the redevelopment of Santa Rita Courts. ●**Mike** advised the CWAB that affordable housing cuts are being discussed in state legislature, and it's important that residents' voices are heard and represented. ●**Michael Roth**, VP of PAMI, reported that Gaston and Rosewood inspections are upcoming. During annual recertifications all assets need to be verified, including checking and savings accounts and ETB balance. ●**Ken Bodden**, Senior Director of Communications reported that as of August 3rd, the agency will change our name back to Austin Housing Authority. Residents saw a preview of the new logo and colors. The new website is modernized with easy access to resident resources. The new website is austinha.org. ●**Leilani Lim-Villegas**, HACA Senior Director of Community Development, reported reminded everyone that there will be no CWAB or Resident Council meeting in August. This will give Austin Pathways an opportunity to focus on youth and back to school events. ●**Dominique Green**, Youth and FSS Manager, reported that the Austin Pathways Resident Scholarship Ceremony is on July 24th at HACA Headquarters. This is a record-breaking year with 47 students at \$79,500 in total scholarships. Youth Incentive Trip is on August 13th at Pinstack, and Back to School Supplies Backpack giveaway begins August 3rd across all HACA properties and Section 8. ●**John Espinosa**, Workforce Development and Digital Inclusion Manager reported that GED registration at Chalmers begins on July 15th. The Goodwill job resource fair is scheduled for August 10th. ●**Borami Lee**, Bringing Health Home Manager, reported that weekly exercise classes and fresh food distribution are continuing. Summer Youth Lunch Program with Everyone Ate Today is going to extend to a Youth Supper Program in the Fall at Shadowbend. ●**Daniel Ruiz**, Homeownership Manager reported that the financial literacy classes are being provided at Manchaca Village and Goodrich. The 12 homeowners at Prospects Heights-Rosewood are getting ready to move into their new homes!

CONSENT ITEMS

APPROVAL OF THE FOLLOWING ITEMS PRESENTED IN THE BOARD MATERIALS

ITEM 1: Presentation, Discussion, and Possible Action regarding the Approval of the Board Minutes Summary for the Board Meeting held on June 16, 2026

Vice-Chairperson Duncan-Hall moved the Approval of the Board Minutes Summary for the Board Meeting held on June 16, 2026. **2nd Vice-Chairperson Apostolou** seconded the motion. The motion Passed (5-Ayes and 0-Nays).

ITEM 2: Presentation, Discussion, and Possible Action Regarding Resolution No. 02954: Awarding a Renewal Contract for Agency Wide Trash Disposal, Recycling and Composting with an amount not to exceed \$506,732.84.

The Board was asked to approve a one-year renewal contract to Waste Management of Texas, Inc for agency-wide trash, recycling, and composting services with an amount not to exceed \$506,732.84. This is the second year of a 5-year contract.

The City of Austin has a goal to reach Zero Waste by 2040. The Universal Recycling Ordinance (URO) requires all commercial properties and multifamily properties with five units or more to provide convenient access to recycling and composting for their employees, commercial tenants, and multifamily residents. All trash, recycling, and composting disposal services provided under this contract shall be of first-class quality. The contractor will provide all materials and labor to comply with the contract. Collections will take place in the days and frequencies for each property based on the number of units and space available to comply with the City of Austin recycling ordinance.

An Invitation for Bid (HACA-25-B0261) was advertised in the Austin American Statesman on Sunday, February 2, 2025, and again on February 9, 2025. The Invitation for Bid was also advertised on the AHA's website and on the Housing Agency Marketplace E-Procurement website. Twelve invitations were downloaded, and one proposal was electronically submitted by the deadline of February 21, 2025 at 11:00 AM local time. One proposal was received after the deadline and was rejected in accordance with our Procurement Policy.

AHA staff recommended the award of a renewal contract for agency-wide trash, recycle, and composting services to Waste Management of Texas, Inc. based on prior performance and responsiveness to AHA's needs. This renewal represents the second year of the five-year contract term which is in accordance with the terms and conditions of the original contract. This justification complies with the City of Austin's recycling ordinance. AHA with the assistance of the City of Austin and Waste Management, will provide awareness of the importance of recycling to residents through our newsletters, events such National Night Out, Resident Council Meetings and other events.

Vice-Chairperson Duncan-Hall moved the Approval of Resolution No. 02954: Awarding a Renewal Contract for Agency Wide Trash Disposal, Recycling and Composting with an amount not to exceed \$506,732.84. **2nd Vice-Chairperson Apostolou** seconded the motion. The motion Passed (5-Ayes and 0-Nays).

ITEM 3: Presentation, Discussion, and Possible Action regarding Resolution No. 02955: Ratification of an Award of Contract for Phase II Rooftop HVAC Replacement at the Austin Housing Authority (AHA) Headquarters

The Board was asked to ratify an award of contract to CG Service Pros in the amount of \$283,706.13 for Phase II Rooftop HVAC Replacement at AHA Headquarters.

The Austin Housing Authority headquarters building is a three story, 110,000 square foot facility served by twenty-two (22) rooftop HVAC units ranging from 1.5 to 15 tons. The units were originally installed in 1995. Over the last several years, the majority of the units have been replaced. The remaining nine (9) units have exceeded their expected service life of 15 to 20 years and have become increasingly costly to maintain, resulting in reduced reliability and efficiency. The HVAC Replacement Program includes replacing nine (9) rooftop units (RTU) that primarily serve third-floor office spaces. The existing units utilize obsolete R-22 refrigerant, which has been phased out, making replacement parts and refrigerant increasingly difficult and expensive to obtain.

Although not included in the current budget, replacement of these units has become critical to maintaining acceptable indoor temperatures and reliable HVAC service. Several units are in failed or severely deteriorated conditions. RTU 2 and RTU 14 have completely failed, while RTU 17, which serves the TMI Equipment Room, is operating at less than 50 percent of its designed capacity and requires constant monitoring.

This project represents Phase II of a long-term initiative to replace aging rooftop equipment across the Headquarters office building. The new high efficiency units will improve system reliability, reduce emergency repairs, lower energy costs, and decrease maintenance expenditures. Due to the age and condition of the equipment, ongoing system failures, and the need to maintain safe and comfortable working conditions, immediate action was required. The AHA team secured 3 quotes for this time-sensitive project. Based on the firm's proven performance, experience with AHA facilities, and ability to meet project requirements, staff determined that CG Service Pros was best qualified to perform the work. Accordingly, the contract for the replacement of the nine (9) rooftop HVAC units was awarded to CG Service Pros on July 14, 2026.

Staff recommended that the Board ratify the contract award to CG Service Pros for the Phase II of the Central Office Rooftop

Unit Replacement Project. Approval will improve HVAC reliability, reduce operation costs, enhance occupant comfort, and support the long-term sustainability of the Central Office Facility. Equipment procurement and installation are expected to be completed within six (6) to nine (9) weeks.

Vice-Chairperson Duncan-Hall moved the Approval of Resolution No. 02955: Ratification of an Award of Contract for Phase II Rooftop HVAC Replacement at the Austin Housing Authority (AHA) Headquarters in the amount of \$283,706.13. **2nd Vice-Chairperson Apostolou** seconded the motion. The motion Passed (5-Ayes and 0-Nays).

ITEM 4: Presentation, Discussion, and Possible Action Regarding Resolution No. 02956: Approval of a Contract for Roof Replacement for Pathways at Manchaca II Apartments

The Board was asked to approve a contract to Pappas Roofing Solutions for Roof Replacement for Pathways at Manchaca II Apartments in an amount of \$125,550.00.

The project consists of full removal and replacement of all existing shingle roofing, vents, flues, and flashings on 16 buildings of the property, as specified in the bid documents. Decking repairs will be performed as needed, under unit pricing obtained in the bid submissions. This is a Reserve For Replacement project, as planned from the annual capital improvement schedule for Pathways at Manchaca II Apartments located at 6113 Buffalo Pass, Austin, TX 78745.

AHA engaged ARMKO, LLC, an independent roofing/envelope consultant, to prepare project specifications. The consultant acted as AHA's representative, ensuring the scope of work, materials, and performance requirements were clearly defined per AHA requirements. In June 2026, upon completion of the construction documents, the project was solicited in the Housing Agency Marketplace platform and local newspaper. Electronic bid submissions were received on July 17, 2026, with 14 responses, in which a contractor was selected who met AHA procurement requirements. Bids were evaluated for compliance and best value, with consultant support.

Staff recommended approval of contract award to Pappas Roofing Solutions, based on the lowest, most responsive and responsible bid submitted, and subsequent satisfactory reference verifications.

Vice-Chairperson Duncan-Hall moved the Approval of Resolution No. 02956: Approval of a Contract for Roof Replacement for Pathways at Manchaca II Apartments in an amount of \$125,550.00. **2nd Vice-Chairperson Apostolou** seconded the motion. The motion Passed (5-Ayes and 0-Nays).

ITEM 5: Presentation, Discussion, and Possible Action regarding Resolution No. 02957: Ratification of Limited Notice to Proceed for AHA Headquarters De-Risk Assessment, Exterior Painting and Signage

The Board was asked to ratify a Limited Notice to Proceed and associated change orders in the total amount of \$199,067.00.

Austin Housing Authority (AHA) headquarters is undergoing facility improvements that support building modernization, operational readiness, and the agency's rebranding initiative. To maintain project momentum while final scope and contract documentation were being completed, management authorized a Limited Notice to Proceed (LNTTP) for work related to the de-risk assessment, exterior painting, signage, and related project activities. The de-risk assessment was conducted in preparation for the second phase of construction at AHA headquarters.

The Limited Notice to Proceed for \$176,717 authorized assessment, coordination, exterior preparation and painting, signage improvements, and associated work needed to advance the project. Additional unforeseen facade repairs and signage were subsequently necessary, adding \$22,350 in change orders. The total amount, inclusive of related change orders, is \$199,067.

Management determined that issuing the Limited Notice to Proceed was in the best interests of Austin Housing Authority because delaying the work would have disrupted project sequencing, delayed exterior facility improvements, and affected the Authority's ability to maintain alignment with the agency's rebranding timetable. Ratification formalizes Board approval of the expenditure and affirms the management action taken to preserve project continuity.

Staff recommended that the Board ratify the Limited Notice to Proceed and associated change orders for the de-risk assessment, exterior painting, signage, and related improvements at Austin Housing Authority Headquarters in the total amount of \$199,067.00.

Vice-Chairperson Duncan-Hall moved the Approval of Resolution No. 02957: Ratification of Limited Notice to Proceed for AHA Headquarters De-Risk Assessment, Exterior Painting and Signage in the total amount of \$199,067.00. **2nd Vice-Chairperson Apostolou** seconded the motion. The motion Passed (5-Ayes and 0-Nays).

ACTION ITEMS

APPROVAL OF THE FOLLOWING ITEMS PRESENTED IN THE BOARD MATERIALS

ITEM6: Presentation, Discussion, and Possible Action regarding Resolution No. 02958: Ratification of a Limited Notice to Proceed for Headquarters Phase II Demolition work

The Board was asked to approve a Resolution ratifying the Limited Notice to Proceed (LNTP) with Paradigm Commercial, LLC for demolition services associated with the Austin Housing Authority Headquarters Renovation Phase II project in an amount not to exceed \$604,023.00.

The Austin Housing Authority continues to advance the Headquarters Renovation Project to improve the functionality, efficiency, and long-term sustainability of its administrative facilities located at 1124 South IH-35. As part of the overall project, Phase II demolition activities are required to prepare the facility for subsequent renovation and construction work.

To maintain the project schedule and avoid delays in contractor mobilization and procurement of required subcontractor services, management executed a Limited Notice to Proceed with Paradigm Commercial, LLC on July 8, 2026. The LNTP authorized demolition activities associated with Phase II of the Headquarters Renovation Project in the amount of \$604,023. Paradigm Commercial is the general contractor that completed the first phase of the headquarters renovation project. AHA has been very satisfied with the quality of work and responsiveness by Paradigm and are comfortable with continuing our partnership on this project.

Project Management Advisors, serving as the Authority's owner's representative, reviewed the demolition proposal and recommended proceeding with the scope of work. The demolition package includes building demolition and abatement services, mechanical, plumbing and electrical demolition, permitting, supervision, and associated project requirements necessary to support the next phase of construction.

Management determined that authorizing the LNTP was necessary to preserve the project schedule and facilitate timely mobilization of demolition activities. The LNTP was limited to demolition-related work required to advance the project while negotiations and finalization of Phase II construction scope of work continued.

The total value of the LNTP is \$604,023. Funding is available within the headquarters renovation project budget. This LNTP amount will be rolled into the total Guaranteed Maximum Price (GMP) contract with Paradigm Commercial.

Staff recommended approval of the Resolution ratifying the Limited Notice to Proceed with Paradigm Commercial, LLC for Phase II demolition services associated with the Headquarters Renovation Project.

Vice-Chairperson Duncan-Hall moved the Approval of Resolution No. 02958: Ratification of a Limited Notice to Proceed for Headquarters Phase II Demolition work in an amount not to exceed \$604,023.00. **2nd Vice-Chairperson Apostolou** seconded the motion. The motion Passed (5-Ayes and 0-Nays).

ITEM 7: Presentation, Discussion, and Possible Action regarding Resolution No. 02959: Ratification of a Limited Notice to Proceed for AHA Headquarters Phase II Elevator Modernization Project

The Board was asked to approve a Resolution ratifying the Limited Notice to Proceed issued to Paradigm Commercial, LLC for the Headquarters Elevator Replacement Project in the amount of \$588,080.00.

The Austin Housing Authority (AHA) Headquarters facility relies on three hydraulic elevators that require modernization to support safe, reliable, and accessible service for staff and visitors. Replacement of aging elevator infrastructure is a key component of the AHA headquarters renovation project.

On June 23, 2026, AHA issued a Limited Notice to Proceed to Paradigm Commercial, LLC to authorize project submittals and the procurement of equipment necessary for the replacement and modernization of the three elevators located at its headquarters. The LNTP was based on a proposal submitted by K&M Elevator, LLC in the amount of \$588,080.00.

Management determined that issuance of the LNTP was necessary because elevator modernization equipment typically has extended manufacturing and delivery lead times. In general, key elevator components such as controllers and related specialized equipment can require approximately 3 to 6 months for manufacturing and delivery after order placement. Delaying procurement would likely have extended the Headquarters renovation schedule and prolonged operational risks associated with aging elevator systems.

The LNTP allowed AHA to secure long-lead equipment and maintain the overall project schedule while final contract processing and the Phase II construction scope of work were finalized.

Staff recommended approval of the Resolution ratifying the Limited Notice to Proceed issued to Paradigm Commercial, LLC for the Headquarters Elevator Replacement Project in the amount of \$588,080.00.

Commissioner Boeta moved the Approval of Resolution No. 02959: Ratification of a Limited Notice to Proceed for AHA Headquarters Phase II Elevator Modernization Project in the amount of \$588,080.00. **2nd Vice-Chairperson Apostolou** seconded the motion. The motion Passed (5-Ayes and 0-Nays).

ITEM 8: Presentation, Discussion, and Possible Action regarding Resolution No. 02960: Ratification of a Guaranteed Maximum Price Contract with Paradigm Commercial, LLC for Headquarters Renovation Phase II

Construction Services

The Board was asked to ratify a Guaranteed Maximum Price (GMP) contract with Paradigm Commercial, LLC in the amount of \$9,192,349 for Phase II construction services associated with the Austin Housing Authority Headquarters Renovation Project.

Austin Housing Authority (AHA) continues to advance the Headquarters Renovation Project to modernize its administrative facilities, improve operational efficiency, and support the long-term functionality of the headquarters campus. Phase II represents the final major construction phase of the Headquarters Renovation Project and will complete the modernization of the Authority's primary administrative offices while improving accessibility, customer service, and operational efficiency.

During demolition activities and further investigation of existing building conditions, additional abatement work was identified on Levels 1 and 2 of the Headquarters building. The discovery of these conditions required immediate coordination among Austin Housing Authority, Project Management Advisors (PMA), design consultants, and Paradigm Commercial to evaluate impacts to the construction schedule and identify strategies to minimize project delays.

To maintain the overall construction timetable and avoid disruption to critical project milestones, AHA management proceeded with execution of the GMP contract with Paradigm Commercial in the amount of \$9,192,349. Timely execution of the GMP allows procurement activities, subcontractor coordination, material purchases, and construction sequencing to move forward while additional abatement activities are incorporated into the project schedule.

The GMP contract includes the build-out of the remaining Headquarters departments, such as Assisted Housing, Planning & Development, Procurement, Finance, TMI, PAMI, and Executive offices. The project scope also includes reconstruction of a new lobby and customer reception area, installation of new elevators, replacement of interior and exterior doors, creation of additional storage space, new meeting room space, accessibility improvements, building systems upgrades, and related construction work necessary to complete Phase II of the Headquarters Renovation Project.

Paradigm Commercial has served as the construction manager and general contractor for the initial phase of the Headquarters renovation effort and has provided preconstruction services, cost estimating, de-risk reviews, scheduling analyses, and coordination support throughout the planning process. Project Management Advisors reviewed the GMP proposal and recommended proceeding with the contract to preserve schedule continuity and support successful project delivery.

Staff recommended approval of the Resolution ratifying the Guaranteed Maximum Price contract with Paradigm Commercial, LLC for Headquarters Renovation Phase II Construction Services in the amount of \$9,192,349.

2nd Vice-Chairperson Apostolou moved the Approval of Resolution No. 02960: Ratification of a Guaranteed Maximum Price Contract with Paradigm Commercial, LLC for Headquarters Renovation Phase II Construction Services in the amount of \$9,192,349. **Vice-Chairperson Duncan-Hall** seconded the motion. The motion Passed (5-Ayes and 0-Nays).

ITEM 9: Presentation, Discussion, and Possible Action on Resolution No. 02961 by the Board of Commissioners of the Austin Housing Authority (the "Authority") authorizing the Authority to take the following actions with regard to the Bridge at the Pearl (the "Development") in Austin, Texas: (i) acquire the site of the Development; (ii) lease the Development site to the owner of the Development; and (iii) such other actions necessary or convenient to carry out this resolution

The Board was asked to approve Resolution No. 02961 authorizing the Authority to take the following actions with regard to the Bridge at the Pearl (the "Development") in Austin, Texas: (i) acquire the site of the Development; (ii) lease the Development site to the owner of the Development; and (iii) such other actions necessary or convenient to carry out this resolution.

Austin Affordable Housing Corporation (AAHC) is considering a partnership with Christopher Investment Company on a 383-unit multi-family rental property, The Pearl Apartments, located at 1301 W. Koenig Lane, Austin, Texas 78756. The property is centrally located, allowing easy access to the greater Austin area. The Class A property features well-appointed units, averaging 820 square feet.

Christopher Investment Company, a local Austin firm dedicated to preserving workforce housing, is a privately held, family-run company with a portfolio exceeding 1,600 apartment units in Austin and its surrounding areas. Founded in 1975, the company has historically focused on residential investments. AAHC will collaborate with the founder, Gregory Christopher, and its President, Brad Gates. Mr. Christopher, Owner and Founder and Brad Gates, Senior Vice President were in attendance at the meeting and spoke about the project.

Constructed in 2022 on approximately 4.95 acres, The Pearl enjoys a genuinely urban, walkable location in the established Brentwood/Crestview neighborhood, minutes from the Burnet Road and North Lamar Boulevard retail corridors. Some of the amenities provided at The Pearl include a rooftop pool, fitness center, resident lounge/clubhouse, co-working space, dog park and pet spa, outdoor grilling and courtyard areas, EV charging stations, structured/covered parking, secure bike storage. Units feature 10ft ceiling heights, quartz countertops, stainless steel appliances, in-unit washer and dryer, walk-in closets, luxury vinyl wood plank flooring, balconies/patios, and the community offers elevator access to all residential floors.

This transaction is significant for Austin Housing Authority and AAHC, as it addresses the displacement of the affordable community in this part of Austin. The partnership aims to preserve this asset and enhance affordability for residents in the area. Given its proximity to major employers, AAHC and Christopher Investment Company will provide stable and affordable housing to stakeholders facing rising rent costs. The large units make this property ideal for families working in the area, where affordable housing options are currently limited.

The property is currently 93% occupied, with monthly rents ranging from \$1,196 for a studio unit to \$2,413 for a two-bedroom unit.

The valuation for The Pearl is \$79,930,000, as of the latest Travis County Appraisal year. Christopher Investment Company will retain approximately \$22,000,000 in equity in the deal. Northwestern Life Insurance holds the current loan on the property through March 5, 2027. A current lease audit is underway to determine the initial number of units already qualified under 80% AMI. The property is currently 93% occupied. AAHC and Christopher Investment Company are committed to providing 10% of the affordable units at 60% AMI, 40% of the units at 80% AMI, and leasing units to all voucher holders.

Christopher Investment Company will continue to manage the property, which will be rebranded The Bridge at The Pearl.

2nd Vice-Chairperson Apostolou moved the Approval of Resolution No. 02961 by the Board of Commissioners of the Austin Housing Authority (the “Authority”) authorizing the Authority to take the following actions with regard to the Bridge at the Pearl (the “Development”) in Austin, Texas: (i) acquire the site of the Development; (ii) lease the Development site to the owner of the Development; and (iii) such other actions necessary or convenient to carry out this resolution. **Commissioner Boeta** seconded the motion. The motion Passed (5-Ayes and 0-Nays).

ITEM 10: Presentation, Discussion, and Possible Action regarding Resolution No. 02962 by the Board of Commissioners of the Austin Housing Authority (the “Authority”) to take such following actions with regard to the Park at Summers Grove (the “Development”) in Austin, Texas: (i) facilitate the financing, and (ii) such other actions necessary or convenient to carry out this resolution

The Board was asked to approve Resolution No. 02962 to take such following actions with regard to the Park at Summers Grove (the “Development”) in Austin, Texas: (i) facilitate the financing, and (ii) such other actions necessary or convenient to carry out this resolution.

The Austin Affordable Housing Corporation (AAHC) purchased the Park at Summers Grove Apartments in August of 2008, replacing Trammel Crow as the General Partner, partnering with Sun America/AIG. Sun America/AIG were bought out by the current partner, April Housing, in December of 2021. The property is located at 1700 Post Oak Blvd., Austin, TX 78727.

The Park at Summers Grove is a 240-unit apartment community with 36 one-bedroom units, 156 two-bedroom units, and 32 three-bedroom units.

The property was built in 2004, located on approximately 13.283 acres. The community offers several amenities, including a swimming pool, laundry facility, a business center, and a fitness center, playground and a picnic area. The property is subject to a Land Use Restriction Agreement as part of the Tax Credit Program. The property has now entered its extended use period which runs to 2035. All units in the project must be occupied by tenants whose income is 60% or less of the Area Median Gross Income. Additionally, 20 apartment units are under an additional restrictive covenant requiring 50% or less of the Area Median Gross Income.

The current loan on the property matures on September 1 of 2026. AAHC is asking for board approval to refinance the property in the form of a Freddie Mac loan not to exceed \$19,000,000. This loan will be for a term of 7 years at an interest rate of approximately 5.65% with an amortization of 35 years. The property is currently appraised at \$36,500,000.00 Apartment Management Professionals currently manage the property. It is 95% occupied and is home to approximately 76 voucher holders.

Commissioner Boeta moved the Approval of Resolution No. 02962 by the Board of Commissioners of the Austin Housing Authority (the “Authority”) to take such following actions with regard to the Park at Summers Grove (the “Development”) in Austin, Texas: (i) facilitate the financing, and (ii) such other actions necessary or convenient to carry out this resolution. **Vice-Chairperson Duncan-Hall** seconded the motion. The motion Passed (5-Ayes and 0-Nays).

EXECUTIVE SESSION

The Board recessed into Executive Session at 1:45 pm.

The Board returned from Executive Session at 2:30 pm. No Board action was taken during Executive Session.

REPORTS

The Board accepts the following reports:

- **Mike Gerber**, HACA President & CEO reported that the Ribbon Cutting for Rosewood may be scheduled for sometime within the first two weeks of October.
- The October Board Meeting is being rescheduled to October 22 due to the conflict with the National Association of Housing

Redevelopment Officials (NAHRO) Annual Meeting dates.

2nd Vice-Chairperson Apostolou moved to adjourn the meeting. **Commissioner Boeta** seconded the motion. The motion Passed (5-Ayes and 0-Nays).

The meeting adjourned at 2:40 pm.

AUSTIN HOUSING AUTHORITY

BOARD ACTION REQUEST

AAHC ITEM 4.

MEETING DATE:	September 17, 2026
STAFF CONTACT:	Ron Kowal
ITEM TITLE:	Presentation, Discussion, and Possible Action on Resolution No. 02963 by the Board of Commissioners of the Housing Authority of the City of Austin d/b/a Austin Housing Authority (the “Authority”) authorizing the Authority to take such actions necessary or convenient to facilitate the bridge loan and/or term loan to Bridge at Volente, LLC (the “Company”) for the Bridge at Volente (the “Development”)
BUDGETED ITEM:	N/A
TOTAL COST:	N/A

ACTION

The Board is being asked to approve Resolution No. 02963 authorizing the Authority to take such actions necessary or convenient to facilitate the bridge loan and/or term loan to Bridge at Volente, LLC (the “Company”) for the Bridge at Volente (the “Development”).

SUMMARY

Background:

The Austin Affordable Housing Corporation (AAHC) purchased the Bridge at Volente in September of 2016 with its partner, Enterprise Community Partners. The property is located at 11908 Anderson Mill Road, Austin, TX 78726. The Bridge at Volente is a 208-unit apartment community with 72 one-bedroom units, 104 two-bedroom units, and 32 three-bedroom units.

The property was built in 1999, and is located on approximately 13.813 acres. The community offers several amenities, including a swimming pool and tennis court, laundry facility, a business center, and a fitness center, playground and a picnic area. It is also home to the Stake program, which provides tenants with monthly revenue sharing for those residents that participate. This has been very well received by the community and has a high participation rate of over 80%.

Process:

The current loan on the property matures on October 1 of 2026. AAHC is asking for board approval to refinance the property in the form of a Fannie Mae loan not to exceed \$20,000,000.00. This loan will be for a term of 10 years at an interest rate of approximately 5.75% with an amortization of 35 years. The property is currently appraised at \$30,000,000.00.

Additionally, should we not be able to re-finance the loan in time to meet the October 1 deadline, Austin Affordable Housing Corporation is asking the board to also approve a short-term bridge loan from Horizon Bank, in an amount not to exceed \$20,000,000.00 to allow more time to close on the Fannie Mae loan.

Apartment Management Professionals currently manage the property. It is 90% occupied and is home to approximately 22 voucher holders. Current affordability and demographics are attached.

Staff Recommendation:

Staff recommends approval of Resolution No. 02963.

RESOLUTION NO. 02963

Presentation, Discussion, and Possible Action on Resolution No. 02963 by the Board of Commissioners of the Housing Authority of the City of Austin d/b/a Austin Housing Authority (the “Authority”) authorizing the Authority to take such actions necessary or convenient to facilitate the bridge loan and/or term loan to Bridge at Volente, LLC (the “Company”) for the Bridge at Volente (the “Development”).

WHEREAS, Austin Affordable Housing Corporation, a Texas nonprofit corporation (“AAHC”), is participating in the ownership of the Development;

WHEREAS, in connection with the Development, the Authority owns the site for the Development (the “**Land**”), and leases the Land to the Company under a long-term ground lease (the “**Ground Lease**”);

WHEREAS, the Company’s existing financing is approaching maturity and the Company is contemplating one or more options for refinancing the same;

WHEREAS, the Company now desires to enter into a bridge loan with Horizon Bank (the “**Bridge Lender**”), whereby the Company will borrow a sum not to exceed \$20,000,000 (the “**Bridge Loan**”), in order to finance the Development;

WHEREAS, the Company desires to enter into a term loan with Bellwether Enterprise Real Estate Capital, LLC (or an affiliate thereof) (the “**Term Lender**”), whereby the Company will borrow a sum not to exceed \$20,000,000 (the “**Term Loan**”), in order to finance the Development;

NOW, THEREFORE, in connection with the financing of the Development, the Board of Commissioners of the Authority hereby adopt the following resolutions:

BE IT RESOLVED, that any officer of the Authority (the “**Executing Officer**”), acting alone, is hereby authorized to review, approve, execute and deliver all such other documents, instruments, or other writings necessary to effectuate the Company’s financing and construction of the Development, including, without limitation, a deed of trust and joinder encumbering HACA’s fee interest in the Land, recognition agreements, subordinations, assignments, estoppel certificates, and other documentation, instruments, certificates, affidavits, agreements and other writings (collectively the “**Transaction Documents**”) as Bridge Lender and/or Term Lender may require, all on such terms and containing such provisions as the Chief Executive Officer (or his designee) shall deem to be necessary or desirable in the consummation of the transactions herein contemplated, and the approval of the terms of each such instrument shall be conclusively evidenced by his (or his designee’s) execution and delivery thereof.

BE IT FURTHER RESOLVED, that all acts, transactions, or agreements undertaken prior hereto by the Executing Officer of the Authority, in connection with the foregoing matters are hereby ratified and confirmed as the valid actions of the Authority, effective as of the date such actions were taken; and

BE IT FURTHER RESOLVED, that the Executing Officer is hereby authorized and directed for and on behalf of, and as the act and deed of the Authority, to take such further action in the consummation of the transactions herein contemplated and to do any and all other acts and things necessary or proper in furtherance thereof, as the Executing Officer shall deem to be necessary or desirable, and all acts heretofore taken by the designee of the Executing Officer to such end are hereby expressly ratified and confirmed as the acts and deeds of the Authority.

This resolution shall be in full force and effect from and upon its adoption.

[End of Resolution]

AUSTIN HOUSING AUTHORITY

BOARD ACTION REQUEST

Executive ITEM 5.

MEETING DATE: September 17, 2026
STAFF CONTACT: Sylvia Calderon
ITEM TITLE: Presentation, Discussion, and Possible Action regarding Resolution No. 02964 Approval of Contracts for Furniture and Audio/Visual Equipment for Austin Housing Authority Headquarters Phase 2 Renovations
BUDGETED ITEM: Yes
TOTAL COST: Furniture: Not to exceed \$906,000.00
Audio/Visual Equipment: Not to exceed \$200,669.10
Total Authorization: Not to exceed \$1,106,669.10

ACTION

The Board is being asked to approve the purchase, delivery, and installation of furniture from SKG for Phase 2 of the Austin Housing Authority Headquarters Renovation Project in an amount not to exceed \$906,000.00, and the purchase and installation of audio/visual equipment from Mood Texas, also identified in the proposal as Mood:Solutions, in an amount not to exceed \$200,669.10, for a total combined authorization not to exceed \$1,106,669.10.

SUMMARY

Background:

The Austin Housing Authority is continuing Phase 2 of its headquarters renovation project at 1124 South IH-35. This phase will complete improvements to additional offices, workstations, meeting rooms, conference rooms, training areas, and shared employee spaces. Furniture and audio/visual equipment are necessary to make the renovated spaces functional and ready for use.

Process:

Furniture

The proposed furnishings include furniture for private offices, open workstations, conference and meeting rooms, training spaces, break and lounge areas, and other shared areas. The furniture proposals also include seating, storage, adjustable work surfaces, power accessories, monitor supports, wire-management equipment, and related workspace components.

SKG provided an overall not-to-exceed estimate of \$906,000.00, consisting of the following

estimated amounts:

- Level 2 furniture: \$360,000.00
- Level 1 furniture: \$500,000.00
- Large Conference Room: \$35,000.00
- Chair mats: \$11,000.00

The estimates are based on pricing available through the Omnia cooperative purchasing contract.

Audio/Visual Equipment

Mood Texas submitted a proposal for the design, equipment, and installation of the audio/visual systems needed for the Phase 2 renovated spaces. The proposed systems are designed to be compatible with the audio/visual technology installed during Phase I.

- Large training room: Displays, a Teams Room system, cameras, ceiling microphones, speakers, wireless screen-sharing capabilities, controls, and local recording equipment.
- First-floor medium conference room: A display, Logitech Rally Bar, added microphone coverage, Teams Room controls, room sensors, and wired connectivity.
- Second-floor large conference room: A display, Logitech Rally Bar, microphone coverage, Teams Room controls, room sensors, and wired connectivity, with an optional second display.
- Treaty Oak room: A ceiling microphone to improve audio coverage for Teams and Zoom meetings.
- Cypress Room: A local recording device to record in-person meeting audio and video.

Total AV Proposal Pricing: \$200,669.10

Procurement

The Phase 2 furniture proposals use pricing available through the Omnia cooperative purchasing contract. The audio/visual proposal continues with the type of systems installed during Phase I and is intended to maintain compatibility across the Authority's meeting, conference, and training spaces. The AV proposal identifies Mood Texas and Mood:Solutions as the system provider. Both vendors serviced the Phase I project. Their performance and responsiveness have been satisfactory, and their continued involvement in Phase 2 ensures continuity and compatibility with furnishings, finishes, and products for the entirety of the renovations project.

Staff Recommendation

Staff recommends approval of Resolution 02964 authorizing:

- The purchase, delivery, and installation of Phase 2 furniture from SKG in an amount not to exceed \$906,000.00; and
- The purchase and installation of Phase 2 audio/visual equipment from Mood Texas, also identified as Mood:Solutions, in an amount not to exceed \$200,669.10.

The total combined authorization will not exceed \$1,106,669.10.

RESOLUTION NO. 02964

A RESOLUTION AUTHORIZING THE PURCHASE AND INSTALLATION OF FURNITURE AND AUDIO/VISUAL EQUIPMENT FOR PHASE 2 OF THE AHA HEADQUARTERS RENOVATION PROJECT

WHEREAS, the Austin Housing Authority is undertaking Phase 2 of its Headquarters Renovation Project to modernize its administrative offices and improve the functionality, efficiency, accessibility, and long-term usability of its headquarters facility; and

WHEREAS, the renovated spaces require furniture for private offices, open workstations, conference and meeting rooms, training spaces, break and lounge areas, and other shared work areas; and

WHEREAS, SKG provided an overall estimate of \$906,000.00 for the Phase 2 furniture, including Level 1 and Level 2 furniture; and

WHEREAS, the Authority also requires audio/visual equipment for the first-floor training room, first-floor conference room, and second-floor conference room, together with upgrades to existing audio/visual equipment; and

WHEREAS, Mood Texas, also identified in its proposal as Mood:Solutions, submitted a proposal for the design, equipment, and installation of the Phase 2 audio/visual systems in the total amount of \$200,669.10; and

WHEREAS, management has determined that the proposed furniture and audio/visual equipment are necessary to complete Phase 2 and make the renovated spaces fully operational;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COMMISSIONERS OF THE AUSTIN HOUSING AUTHORITY THAT:

The Board of Commissioners hereby authorizes the President and CEO, or the President and CEO's designee, to approve the purchase, delivery, and installation of Phase 2 furniture from SKG in an amount not to exceed \$906,000.00.

The Board of Commissioners further authorizes the President and CEO, or the President and CEO's designee, to approve the purchase and installation of Phase 2 audio/visual equipment from Mood Texas, also identified as Mood:Solutions, in an amount not to exceed \$200,669.10.

The total combined authorization for the Phase 2 furniture and audio/visual equipment shall not exceed \$1,106,669.10.

The President and CEO, or the President and CEO's designee, is authorized to execute the contracts, purchase orders, and other documents necessary to complete these purchases.

Connect with customers in extraordinary ways

MOOD:Systems

Quote is presented in multiple parts. See each section with their individual options.

SECTION #1 Large Training Room:

Ceiling Mics are specified for ease of use. They will pick up all voices for Teams, Zoom and any recording needed. One camera in the rear of the room to show the presenter and to autotrack. (3) 98" displays (2) up front and one plan North. Easy to use Teams room and Clickshare conferencing. Record is now local with no delay. Also no Teams or Zoom needed for recording. This can be automated and triggered remotely.

System design overview:

Video:

- Clickshare provided for easy wireless screen share and Wireless video conferencing. Use a laptop anywhere in the room and share to the displays, and also start a Teams meeting using the camera, Mics, and speakers in the room.
- (1) Wired HDMI Plate provided as a back up to the clickshare. Plug in HDMI video directly to the plate. System will autoswitch to that content.
- (5) Displays are set at 98" This is right at the size recommended by Avixa for standard viewing. Non-Glare coating and 500 Nits to overcome room brightness. High detailed viewing may need a larger display to be viewed from the back.
- TeamRoom Set up with Logitech touch screen mounted to the wall
- Control via TeamsRoom Logitech touch screen or provided 12.9" iPad in Magentic charging case.

Camera:

- (1) 20X zoom in the back of the room to capture the presenter and to auto track.

Ceiling Mics:

- (2) Shure MXA925 Mics with Presets to cover the room as needed. If entire room is needing to be covered then the mics can be configured to hear the entire room. If just the Presenter then the presenter area up front will be focused on and the audience audio will be lowered.
- Optional Wireless mics for local reinforcement. (1) Hand Held and (1) Lapel over ear mic.

Audio:

- (8) Distributed overhead speakers will provide audio. Droptile speakers specified may need to change if ceiling changes.

Control:

- Logitech Teams room controller for Teams
- 12.9" Wireless iPad control. Adjust mic levels, Re-aim cameras, recall presets, all at your fingertips wirelessly. iPad has a magnetic charging mount so no need to worry about charging as long as it is placed back on its mount.

Record:

- Record meetings without the use of Teams or Zoom. Epiphany Lecture capture is easy to use and has multiple features you can adjust by logging in remotely. Including automating the recording or triggering, also add back splash and mix the Camera view and the content.

Equipment Recommended Video:

- (5) QM98C Displays 98" (2 Added for Ver 2.1)
 - Right at recommended size for standard detail
 - 24/7 run time and antiglare
- (1) Chief Wall Mount articulating (To install equipment behind) and keep as flat as possible against the wall
- (1) Logitech Teams Room set up.
- (2) Standard Mount for 98" Displays
- (4) Visionary Decoders for displays ○ Auto Switching Matrix that can be added into easily
- (1) HDMI Input Plate (wired back up) Belo front display
 - Input placed for wired HDMI
 - Used as back up if there is an issue with the Clickshare, or if HDMI is wanted
- (2) Encoders (1) at Clickshare and (1) at Rack for HD video
- (1) Barco Clickshare CX-50
 - Easy to use wireless Screen share
 - Wireless conferencing from Laptop
 - Use the rooms camera and Mics and speakers from your own laptop
 - Comes with (2) USB Dongles you can add more if wanted
 - Use any Codec you want Teams, Zoom, Google Meet etc.

Equipment Recommended Recording:

- (1) Epiphan Nexus Lecture capture
 - Automate recording, No Teams or Zoom needed
 - Ceiling Mics, Camera, and shared video all available for recording.
 - Much easier and more efficient than the back magic recorder

Equipment Recommended Camera:

- (1) PTZ Optics Move 4k Camera 20X zoom
 - 20 x zoom with auto tracking
 - Full PTZ motion, Wide capture to get overflow sides
 - Full control from the control system.
 - See image above in system over view for more details

Equipment Recommended Audio

- (6) Klipsch Speakers with 5.25" Drivers
 - Wired to help eliminate feedback in a mix minus setting
 - High quality Audio
- (1) 4 Channel amplifier to split audio

Equipment Recommended Control/Misc:

- (1) QSC Core 24F
 - Audio and control processor
 - All in one system.
 - iPad control Via App
 - Audio DSP
 - Internal Audio recorder with memory
- (1) ER18 18 RU Floor rack Economy
- (2) Wattbox UPS 6 port with surge suppression

- Monitor power state or reboot from anywhere in the world
- (1) 12.9" iPad with iPort magnetic charging mount (main wireless control)

Equipment Recommended Ceiling Mic:

- (2) MXA925 (NEW better model!) **Changed from MXA920**
 - Audio coverage for Zoom Teams and recording
 - Excellent audio
 - Zone control, camera control

(1) ER18 18 RU Floor

Total Installed: \$ 124,033.55
\$ 0.00 tax exempt
 \$ 124,033.55 total Large Training Room

SECTION #1A Optional addition Large Training Room Add wireless Mics:

Ceiling Mics will pick up all voices for recording and Teams. (2) Optional wireless mics for local reinforcement of the audio over the speakers. These mics will also inject into Teams and Zoom.

Equipment Recommended Wireless Mics:

- (1) Dual Receiver SLXD Shure
 - (1) Hand held Mic
 - (1) Beltpac with over ear Mic

Total Installed: \$ +3,048.00
\$ 0.00 tax exempt
 \$ +3,048.00 Added to Large Room cost.

Grand total if all of the options are added: Total Installed:

\$ 127,081.55
\$ 0.00 tax exempt
\$ 127,081.55 total Large Training Room with Optional wireless mics

SECTION #2 Medium Conference 1st Floor

Same design as other rooms we have done. All same equipment including (1) HDMI input. This would be equal to the Medium rooms.

System design overview:

Video/Mic/Speaker:

- (1) 75" Display up front. This is the correct size for the farthest viewer per standards.
- (1) Logitech All in One rally Bar. With speaker mic and camera
- (1) Added mic pod for additional coverage
- (1) Room sensor will turn the display ON/OFF for energy and display life. Motion activated.
- Optional Clickshare wireless conference, and Optional HDMI inputs on table also available if wating to add. The wirelss conference will allo the user to use the rooms cameras, Mic and speaker to do any soft codec wanted.

Equipment Recommended:

- (1) QM75C Displays 75" ○ At recommended size ○ 24/7 run time and antiglare
- (1) Low Profile articulating mount to keep ADA 4" from wall measurement. Will hold equipment behind
- (1) Chief Wall Mount articulating (To install equipment behind) and keep as flat as possible against the wall
- (1) Logitech Rally Bar (Android Teams version) ○ Built in AI ○ All in one system.
- (1) Logitech TAP with Cat5E Kit
- (1) In Wall 5 Port wattbox
- (1) Added Mic pod for additional Mic range
- (1) Mount for Rally to hook onto display Mount
- (1) Extron Room Sensor for auto on Off of the display ceiling mounted
- (1) Extron Room sensor receiver
- (1) Table mount for Logitech Tap
- (1) In wall box for equipment
- (1) Extron HC404 Auto switcher over cat 6 ○ Auto switch depending on what is plugged in
 - Auto switch TV ○ Auto turn on display when plugged in.
- (1) Custom table inserts with retractable 3' HDMI, 3' Network cable

Total Installed: \$ 24,605.98
 \$ 0.00 tax exempt
 \$ 24,605.98 total Medium Room 1st Floor

SECTION #3 Large Conference 1st Floor

Same design as the Large Conference room we did before, but there is an option to add a second display. (2) 85" Displays would show the same thing when Clcikshare is used, but when Teams room it would display your preffered setup. Usually the talking Head on one display and the Shared screen on the other.

System design overview:

Video/Mic/Speaker:

- (1) 85" Display up front. This is the correct size for the farthest viewer per standards.
- (1) Logitech All in One rally Bar. With speaker mic and camera
- (3) Added mic pod for additional coverage
- (1) Room sensor will turn the display ON/OFF for energy and display life. Motion activated.
- Optional Clickshare wireless conference, The wirelss conference will allo the user to use the rooms cameras, Mic and speaker to do any soft codec wanted.

Equipment Recommended:

- (1) QM85C Displays 85" ○ At recommended size ○ 24/7 run time and antiglare
- (1) Low Profile articulating mount to keep ADA 4" from wall measurement. Will hold equipment behind
- (1) Chief Wall Mount articulating (To install equipment behind) and keep as flat as possible against the wall
- (1) Logitech Rally Bar (Android Teams version) ○ Built in AI ○ All in one system.
- (1) Logitech TAP with Cat5E Kit
- (1) In Wall 5 Port wattbox
- (3) Added Mic pod for additional Mic range
- (1) Mount for Rally to hook onto display Mount
- (1) Extron Room Sensor for auto on Off of the display ceiling mounted
- (1) Extron Room sensor receiver
- (1) Table mount for Logitech Tap
- (1) In wall box for equipment
- (1) Extron HC404 Auto switcher over cat 6 ○ Auto switch depending on what is plugged in
 - Auto switch TV ○ Auto turn on display when plugged in.
- (1) Custom table inserts with retractable 3' HDMI, 3' Network cable

Total Installed: \$ 28,110.47
\$ 0.00 tax exempt
\$ 28,110.47 total Large Conference Room 2nd Floor

3A Optional addition add (1) 85" Display for dual display:

(2) 85" Displays would show the same thing when Cleikshare is used, but when Teams room it would display your preferred setup. Usually the talking Head on one display and the Shared screen on the other.

Equipment Recommended Wireless Mics:

- (1) QM85C Display ○
(1) Mount

Total Installed: \$ +6,458.48
 \$ 0.00 tax exempt
 \$ +6,458.40 Added to Large Conference Room 2nd Floor.

Grand total if all of the options are added: Total

Installed: \$ 31,568.95
 \$ 0.00 tax exempt
 \$ 31,568.95 total Large Conference Room 2nd Floor w/ Optional Dual display

SECTION #4 Add Ceiling Mic to the conference room

This adds a ceiling mic to the conference room already installed in phase 1. This will ensure all zoom and teams calls are heard without the wireless mics. We can also do camera tracking if wanted..

Equipment Recommended Ceiling Mic:

- (1) MXA925 (NEW better model!) **Changed from MXA920**
 - Audio coverage for Zoom Teams and recording
 - Excellent audio
 - Zone control, camera control

Total Installed: \$ 7,245.94
 \$ 0.00 tax exempt
 \$ 7,245.94 total add ceiling Mic

SECTION #5 Add Recording to all Hands room

This adds a local easy to use recording feature for meetings in the all hands room.

Equipment Recommended Ceiling Mic:

- (1) Epiphan Nexus local recorder
 - Can record Audio and video to local hard drive
 - Record Teams meetings

Total Installed: \$ 5,512.03
 \$ 0.00 tax exempt
 \$ 5,512.03 total add record to all Hands

Summary of Purchase prices:

Section #1	Large Training room	\$125,688.20
Section #1A Optional	Add (2) Wireless Mics to Large Training room	\$3,048.00
Section #2	Medium Conference 1 st Floor	\$24,605.98

QUOTE VALID FOR 30 DAYS

TERMS + CONDITIONS

Terms and Conditions of Sale for All Orders

Prices Quoted on This Proposal Subject to Change in 30 Days

CANCELLATION AND CHANGES: In the event this proposal is accepted (confirmed) by the buyer and becomes an order, it is understood and agreed it cannot be cancelled except by mutual consent. The seller's order confirmation is binding, and any subsequent changes are subject to seller's ability to conform and are dependent upon manufacturer approval. Changes in quantity or specifications are subject to approval by seller and manufacturer. Changes resulting in additional charges from the manufacturer shall be paid by the buyer. All requests for changes in quantity or specification shall be delivered to the seller in writing.

DELIVERY AND INSTALLATION: If product is shipped via any delivery service other than those arranged by seller or another certified Knoll Dealer, seller is not responsible for processing freight claims related to damaged (including concealed damage) or lost product. Seller is not responsible for replacing damaged or lost product shipped via these services.

DROP SHIP SALES: If any product is drop-shipped, the seller's responsibility ends when the merchandise is shipped from the manufacturer's facility. Receiving, installation, damage claims, and all other service freight issues are the buyer's responsibility.

DELIVERY & INSTALLATION/SITE CONDITIONS: In the event delivery and/or installation is required as a part of this proposal, the following provisions shall apply:

1. **Condition of Job Site:** The job site shall be clean, clear and free of debris prior to installation. Flooring, floor bases and ceiling tiles to be placed prior to product delivery and installation. Any product installation taking place during adjacent construction activity renders the buyer responsible for cleaning the product. Any third-party actions resulting in theft or damages of product is the responsibility of the buyer.
2. **Job Site Services:** Electric current, heat/air, hoisting and/or elevator service to be furnished without charge to seller. Adequate facilities for offloading, staging, moving and handling of merchandise shall be provided. Pricing does NOT include any stair carry unless specifically noted.
3. **Special Packaging or Handling:** If special packaging or handling is required that is not contained in the specifications, it will be subject to extra charges from the buyer.
4. **Delivery and Installation:** Pricing is based on known building rules and regulations at the installation site. Delivery of product will be consolidated for efficiency at the discretion of the seller. Installation is priced for and will be performed during normal working hours unless otherwise specified. If buyer requests additional performance outside of original scope or beyond the parameters described hereto, additional charges may apply.
5. **Installation:** Delivery & Installation fees are based on original approved and signed-off plans with associated order. Any requested field changes require buyer approval. Additional installation labor, where necessary, is charged at standard installation rates.
6. **On-Site Staging/Storage:** Provided the merchandise does not arrive at the site earlier than the date requested, safe and adequate storage space will be provided by the buyer. If the space provided is inadequate and requires excessive sorting, excessive sorting costs will be reimbursed by the buyer. If the space provided is inconveniently located or on another floor, any extra costs for double-handling and/or transporting to and from storage areas will be reimbursed by the buyer. If the merchandise must be moved due to progress of other trades or other reasons not within the control of the seller, the extra cost of such moving will be the responsibility of the buyer.
7. **Erection and Assembly:** Seller's ability to erect or assemble furniture or to permanently attach, affix, or bolt in place movable furniture is dependent on jurisdictional agreements. If trade regulations enforced at the time of installation require the use of tradesmen at the site other than the seller's own installation personnel, resulting additional costs will be paid by the buyer.
8. **Damage:** After product delivery to the installation site, any loss or damage by weather, fire, water, other trades or

Item	Qty.	Product	Sell Price	
			Unit	Extended
		any risks beyond the control of the seller, shall be the responsibility of the buyer, and the buyer agrees to hold the seller harmless from loss for such reasons.		
9.		Insurance: Public Liability, Worker's Compensation, Property Damage, Automotive and Occupational Disease Insurance are carried by the seller and certificates will be delivered upon request. Fire, tornado, flood, and other insurance at the site to be provided for and paid by the owner.		
		RETAIL PRODUCTS: Purchases from open line retailers are considered Retail products. SKG is glad to source, receive, consolidate, deliver and install Retail products with other commercially sourced products. Because Retail product vendors operate in fundamentally different ways, buyer is encouraged to consider differences in how these products are purchased, managed and warranted compared to commercially sourced products.		
		a Purchasing: In many cases, Retail vendors do not guarantee product availability and do not offer payment terms. Orders for Retail products must be placed immediately and are paid for at time of order placement. As a result, SKG requests 100% payment by Buyer at time of order placement.		
		b Product Management/Storage: As Retail products are often purchased immediately, delivery timelines for these products cannot be coordinated with other commercially sourced products. This commonly results in Retail products arriving well in advance of installation dates. Should Retail products require short-term storage at a SKG-managed warehouse in excess of 30-days after product is received, Buyer agrees to pay storage fees at standard monthly rates published in the SKG Storage Agreement. Storage of Retail products impacts the ability to file warranty and concealed damage claims and, as such, must be considered by Buyer as an additional risk associated with selecting Retail products.		
		c Warranty: All Retail products are limited to manufacturer warranties. Warranties vary widely. SKG guarantees the labor and installation of these products for twelve months from date of delivery. This SKG warranty covers only issues related to delivery and installation and does not cover any performance issues related to the Retail products themselves.		

ARCHITECTURAL WALL PRODUCTS

- Shop Drawings produced upon receipt of Purchase Order. Signed Shop Drawings are required to place order into production. Actual field dimensions must be provided or agreed upon "hold to" dimensions must be identified and approved on Shop Drawings prior to Order Entry.
- Installation must be performed and/or supervised by resources certified by the product manufacturer. Non-certified installations nullify any product warranties that convey with purchase.
- Pricing assumes all entrances, elevators and hallways will accommodate delivery of panel and door products. Any additional labor or equipment necessary to deliver product arising from ingress limitations, including but not limited to hoist charges, stair carry or field assembly, may result in additional charges.
- Architectural walls install over finished floors and adjacent to finished wall and ceiling surfaces. Site conditions expected to include finish out, electrical and lighting sources and trash receptacles necessary to complete the assembly of all architectural products included in this proposal. SKG will perform cleaning of the architectural walls at the time of substantial completion of the SKG scope. Additional cleaning required as a result of any unfinished job site conditions after substantial completion of SKG scope will be the responsibility of the buyer.
- Extrusions are delivered in standard lengths. Designated work areas of sufficient size are needed to make field cuts and lay out product in preparation for final placement and assembly.
- Architectural wall systems can accommodate no more than a 3/8" variance in ceiling height. Seller is not responsible for floor floating necessary to level existing floor surfaces to fall within system height tolerances.
- Seller will make no final electrical connections.
- Seller is not responsible for obtaining any applicable permits.
- Seller is not responsible for coordinating any necessary inspections.

CLAIMS: Excluding shipments for Drop-Ship Sales and shipments not arranged by seller, claims for product damaged during transportation shall be processed and managed by the seller. Damaged merchandise contained in seller-managed claims will be repaired to the satisfaction of the buyer or merchandise will be replaced.

Item	Qty.	Product	Sell Price	
			Unit	Extended

WARRANTY: All furniture is warranted by the seller to be free from defects in workmanship for a period of twelve (12) months from date of delivery unless otherwise specified. For product care and maintenance, please reference the manufacturer’s website. Product Maintenance will be disclosed within the product price list.

DELAYS: In the event construction delays or other causes, not within seller’s control, prevent delivery to the installation site on the delivery date designated at time of purchase, product will be stored, at buyer’s expense at an SKG-managed warehouse under the “short-term storage” clause below, until installation can be resumed. Any double-handling or redelivery charges shall be paid by buyer. All charges are the responsibility of the buyer.

Delays in installation can impact the ability to file warranty and concealed damage claims. All rejected claims due to delayed installation timelines not within the seller’s control are the responsibility of the buyer.

SHORT-TERM STORAGE: Products stored at an SKG-managed warehouse, for any reason beyond the seller’s control and in excess of 30-days beyond the delivery date designated at time of purchase, will incur storage fees invoiced to buyer at standard monthly rates published in the SKG Storage Agreement.

PAYMENT: A 50% deposit is required for order placement. Balance for merchandise will be invoiced to buyer upon shipment. Buyer agrees to pay balance within twenty (20) days of invoice date. Acceptance of delivery constitutes acceptance as delivered. All product received will be considered accepted by the buyer for purposes of payment. Buyer shall reserve the right to withhold 10% of the invoice amount for invoiced undelivered product along with associated dealer services fees until product is installed and complete.

Buyer agrees to pay a finance charge of 1.5% per month at the annual percentage rate of 18% on all delinquent invoices as well as expenses, attorney fees and court costs which seller incurs by reason of buyer’s default. Any use tax, sales tax, excise tax, duty, custom or fee imposed by a government authority is the responsibility of the buyer. SKG hereby retains, and buyer hereby grants to SKG, a purchase money security interest in the merchandise until the entire price of the merchandise is paid in full. Buyer hereby appoints SKG as its true and lawful attorney-in-fact for purposes of executing all documentation necessary to evidence and perfect this security interest. Buyer is solely responsible, and SKG hereby disclaims any liability, for loss or damage to the merchandise once delivered to buyer’s designated location.

DESIGN: Design Services are billed at \$85/hour.

NO OTHER AGREEMENTS: There are no other agreements expressed or implied other than those specified herein. The terms and conditions set forth herein may not be varied except upon the written approval of both buyer and seller.

TERMS + CONDITIONS- OMNIA

Terms and Conditions of Sale for All Orders

Prices Quoted on This Proposal Subject to Change in 30 Days

CANCELLATION AND CHANGES: In the event this proposal is accepted (confirmed) by the buyer and becomes an order, it is understood and agreed it cannot be cancelled except by mutual consent. The seller's order confirmation is binding, and any subsequent changes are subject to seller's ability to conform and are dependent upon manufacturer approval. Changes in quantity or specifications are subject to approval by seller and manufacturer. Changes resulting in additional charges from the manufacturer shall be paid by the buyer. All requests for changes in quantity or specification shall be delivered to the seller in writing.

DELIVERY AND INSTALLATION: If product is shipped via any delivery service other than those arranged by seller or another certified Allsteel Dealer, seller is not responsible for processing freight claims related to damaged (including concealed damage) or lost product. Seller is not responsible for replacing damaged or lost product shipped via these services.

DROP SHIP SALES: If any product is drop-shipped, the seller's responsibility ends when the merchandise is shipped from the manufacturer's facility. Receiving, installation, damage claims, and all other service freight issues are the buyer's responsibility.

DELIVERY & INSTALLATION/SITE CONDITIONS: In the event delivery and/or installation is required as a part of this proposal, the following provisions shall apply:

- Condition of Job Site:** The job site shall be clean, clear and free of debris prior to installation. Flooring, floor bases and ceiling tiles to be placed prior to product delivery and installation. Any product installation taking place during adjacent construction activity renders the buyer responsible for cleaning the product. Any third-party actions resulting in theft or damages of product is the responsibility of the buyer.
- Job Site Services:** Electric current, heat/air, hoisting and/or elevator service to be furnished without charge to seller. Adequate facilities for offloading, staging, moving and handling of merchandise shall be provided. Pricing does NOT include any stair carry unless specifically noted.
- Special Packaging or Handling:** If special packaging or handling is required that is not contained in the specifications, it will be subject to extra charges from the buyer.
- Delivery and Installation:** Pricing is based on known building rules and regulations at the installation site. Delivery of product will be consolidated for efficiency at the discretion of the seller. Installation is priced for and will be performed during normal working hours unless otherwise specified. If buyer requests additional performance outside of original scope or beyond the parameters described hereto, additional charges may apply.
- Installation:** Delivery & Installation fees are based on original approved and signed-off plans with associated order. Any requested field changes require buyer approval. Additional installation labor, where necessary, is charged at standard installation rates.
- On-Site Staging/Storage:** Provided the merchandise does not arrive at the site earlier than the date requested, safe and adequate storage space will be provided by the buyer. If the space provided is inadequate and requires excessive sorting, excessive sorting costs will be reimbursed by the buyer. If the space provided is inconveniently located or on another floor, any extra costs for double-handling and/or transporting to and from storage areas will be reimbursed by the buyer. If the merchandise must be moved due to progress of other trades or other reasons not within the control of the seller, the extra cost of such moving will be the responsibility of the buyer.
- Erection and Assembly:** Seller's ability to erect or assemble furniture or to permanently attach, affix, or bolt in place movable furniture is dependent on jurisdictional agreements. If trade regulations enforced at the time of installation require the use of tradesmen at the site other than the seller's own installation personnel, resulting additional costs will be paid by the buyer.
- Damage:** After product delivery to the installation site, any loss or damage by weather, fire, water, other trades or any risks beyond the

control of the seller, shall be the responsibility of the buyer, and the buyer agrees to hold the seller harmless from loss for such reasons.

9. **Insurance:** Public Liability, Worker's Compensation, Property Damage, Automotive and Occupational Disease Insurance are carried by the seller and certificates will be delivered upon request. Fire, tornado, flood, and other insurance at the site to be provided for and paid by the owner.

RETAIL PRODUCTS: Purchases from open line retailers are considered Retail products. SKG is glad to source, receive, consolidate, deliver and install Retail products with other commercially sourced products. Because Retail product vendors operate in fundamentally different ways, buyer is encouraged to consider differences in how these products are purchased, managed and warranted compared to commercially sourced products.

- Purchasing:** In many cases, Retail vendors do not guarantee product availability and do not offer payment terms. Orders for Retail products must be placed immediately and are paid for at time of order placement. As a result, SKG requests a 90% progress payment by Buyer at time of order placement.
- Product Management/Storage:** As Retail products are often purchased immediately, delivery timelines for these products cannot be coordinated with other commercially sourced products. This commonly results in Retail products arriving well in advance of installation dates. Should Retail products require short-term storage at a SKG-managed warehouse in excess of 30-days after product is received, Buyer agrees to pay storage fees at standard monthly rates published in the SKG Storage Agreement. Storage of Retail products impacts the ability to file warranty and concealed damage claims and, as such, must be considered by Buyer as an additional risk associated with selecting Retail products.
- Warranty:** All Retail products are limited to manufacturer warranties. Warranties vary widely. SKG guarantees the labor and installation of these products for twelve months from date of delivery. This SKG warranty covers only issues related to delivery and installation and does not cover any performance issues related to the Retail products themselves.

CLAIMS: Excluding shipments for Drop-Ship Sales and shipments not arranged by seller, claims for product damaged during transportation shall be processed and managed by the seller. Damaged merchandise contained in seller-managed claims will be repaired to the satisfaction of the buyer or merchandise will be replaced.

WARRANTY: All furniture is warranted by the seller to be free from defects in workmanship in labor for a period of twelve (12) months from date of delivery unless otherwise specified. For product care and maintenance, please reference the manufacturer's website. Product maintenance will be disclosed in the product price list.

DELAYS: In the event construction delays or other causes, not within seller's control, prevent delivery to the installation site on the delivery date designated at time of purchase, product will be stored, at buyer's expense at an SKG-managed warehouse under the "short-term storage" clause below, until installation can be resumed. Any double-handling or redelivery charges shall be paid by buyer. All charges are the responsibility of the buyer.

Delays in installation can impact the ability to file warranty and concealed damage claims. All rejected claims due to delayed installation timelines not within the seller's control are the responsibility of the buyer.

SHORT-TERM STORAGE: Products stored at an SKG-managed warehouse, for any reason beyond the seller's control and in excess of 30-days beyond the delivery date designated at time of purchase, will incur storage fees invoiced to buyer at standard monthly rates published in the SKG Storage Agreement.

PAYMENT: All product received will be considered accepted by the buyer for purposes of payment. Buyer shall reserve the right to withhold 10% of the invoice amount for invoiced undelivered product along with associated dealer services fees until product is installed and complete. Any product received but is not able to be installed due to client delays or construction delays is subject to payment, along with any storage and double handling fees

Buyer agrees to pay a finance charge of 1.5% per month at the annual percentage rate of 18% on all delinquent invoices as well as expenses, attorney fees and court costs which seller incurs by reason of buyer's default. Any use tax, sales tax, excise tax, duty, custom or fee imposed by a government authority is the responsibility of the buyer. SKG hereby retains, and buyer hereby grants to SKG, a purchase money security interest in the merchandise until the entire price of the merchandise is paid in full. Buyer hereby appoints SKG as its true and lawful attorney-in-fact for purposes of executing all documentation necessary to evidence and perfect this security interest. Buyer is solely responsible, and SKG hereby disclaims any liability, for loss or damage to the merchandise once delivered to buyer's designated location.

OUT OF STATE INVOICES FOR NON-EXEMPT CUSTOMERS: State sales or use tax may be due in connection with the purchase and delivery of tangible personal property to individuals and businesses. If sales tax is not charged, the purchaser is required to file a use tax return if tax is due in connection with the purchase and delivery. The notice is required pursuant to tax provisions in various states

ONLINE CREDIT CARD AND ACH PAYMENTS: We offer online payment options to pay with a credit card or ACH. All credit card transactions will incur a 3% service fee. Our online payment portal is available on our website here: <https://skgtexas.com/about/payment-options/>.

TERMS + CONDITIONS- OMNIA

Terms and Conditions of Sale for All Orders

Prices Quoted on This Proposal Subject to Change in 30 Days

CANCELLATION AND CHANGES: In the event this proposal is accepted (confirmed) by the buyer and becomes an order, it is understood and agreed it cannot be cancelled except by mutual consent. The seller's order confirmation is binding, and any subsequent changes are subject to seller's ability to conform and are dependent upon manufacturer approval. Changes in quantity or specifications are subject to approval by seller and manufacturer. Changes resulting in additional charges from the manufacturer shall be paid by the buyer. All requests for changes in quantity or specification shall be delivered to the seller in writing.

DELIVERY AND INSTALLATION: If product is shipped via any delivery service other than those arranged by seller or another certified Allsteel Dealer, seller is not responsible for processing freight claims related to damaged (including concealed damage) or lost product. Seller is not responsible for replacing damaged or lost product shipped via these services.

DROP SHIP SALES: If any product is drop-shipped, the seller's responsibility ends when the merchandise is shipped from the manufacturer's facility. Receiving, installation, damage claims, and all other service freight issues are the buyer's responsibility.

DELIVERY & INSTALLATION/SITE CONDITIONS: In the event delivery and/or installation is required as a part of this proposal, the following provisions shall apply:

- Condition of Job Site:** The job site shall be clean, clear and free of debris prior to installation. Flooring, floor bases and ceiling tiles to be placed prior to product delivery and installation. Any product installation taking place during adjacent construction activity renders the buyer responsible for cleaning the product. Any third-party actions resulting in theft or damages of product is the responsibility of the buyer.
- Job Site Services:** Electric current, heat/air, hoisting and/or elevator service to be furnished without charge to seller. Adequate facilities for offloading, staging, moving and handling of merchandise shall be provided. Pricing does NOT include any stair carry unless specifically noted.
- Special Packaging or Handling:** If special packaging or handling is required that is not contained in the specifications, it will be subject to extra charges from the buyer.
- Delivery and Installation:** Pricing is based on known building rules and regulations at the installation site. Delivery of product will be consolidated for efficiency at the discretion of the seller. Installation is priced for and will be performed during normal working hours unless otherwise specified. If buyer requests additional performance outside of original scope or beyond the parameters described hereto, additional charges may apply.
- Installation:** Delivery & Installation fees are based on original approved and signed-off plans with associated order. Any requested field changes require buyer approval. Additional installation labor, where necessary, is charged at standard installation rates.
- On-Site Staging/Storage:** Provided the merchandise does not arrive at the site earlier than the date requested, safe and adequate storage space will be provided by the buyer. If the space provided is inadequate and requires excessive sorting, excessive sorting costs will be reimbursed by the buyer. If the space provided is inconveniently located or on another floor, any extra costs for double-handling and/or transporting to and from storage areas will be reimbursed by the buyer. If the merchandise must be moved due to progress of other trades or other reasons not within the control of the seller, the extra cost of such moving will be the responsibility of the buyer.
- Erection and Assembly:** Seller's ability to erect or assemble furniture or to permanently attach, affix, or bolt in place movable furniture is dependent on jurisdictional agreements. If trade regulations enforced at the time of installation require the use of tradesmen at the site other than the seller's own installation personnel, resulting additional costs will be paid by the buyer.
- Damage:** After product delivery to the installation site, any loss or damage by weather, fire, water, other trades or any risks beyond the

control of the seller, shall be the responsibility of the buyer, and the buyer agrees to hold the seller harmless from loss for such reasons.

9. **Insurance:** Public Liability, Worker's Compensation, Property Damage, Automotive and Occupational Disease Insurance are carried by the seller and certificates will be delivered upon request. Fire, tornado, flood, and other insurance at the site to be provided for and paid by the owner.

RETAIL PRODUCTS: Purchases from open line retailers are considered Retail products. SKG is glad to source, receive, consolidate, deliver and install Retail products with other commercially sourced products. Because Retail product vendors operate in fundamentally different ways, buyer is encouraged to consider differences in how these products are purchased, managed and warranted compared to commercially sourced products.

- Purchasing:** In many cases, Retail vendors do not guarantee product availability and do not offer payment terms. Orders for Retail products must be placed immediately and are paid for at time of order placement. As a result, SKG requests a 90% progress payment by Buyer at time of order placement.
- Product Management/Storage:** As Retail products are often purchased immediately, delivery timelines for these products cannot be coordinated with other commercially sourced products. This commonly results in Retail products arriving well in advance of installation dates. Should Retail products require short-term storage at a SKG-managed warehouse in excess of 30-days after product is received, Buyer agrees to pay storage fees at standard monthly rates published in the SKG Storage Agreement. Storage of Retail products impacts the ability to file warranty and concealed damage claims and, as such, must be considered by Buyer as an additional risk associated with selecting Retail products.
- Warranty:** All Retail products are limited to manufacturer warranties. Warranties vary widely. SKG guarantees the labor and installation of these products for twelve months from date of delivery. This SKG warranty covers only issues related to delivery and installation and does not cover any performance issues related to the Retail products themselves.

CLAIMS: Excluding shipments for Drop-Ship Sales and shipments not arranged by seller, claims for product damaged during transportation shall be processed and managed by the seller. Damaged merchandise contained in seller-managed claims will be repaired to the satisfaction of the buyer or merchandise will be replaced.

WARRANTY: All furniture is warranted by the seller to be free from defects in workmanship in labor for a period of twelve (12) months from date of delivery unless otherwise specified. For product care and maintenance, please reference the manufacturer's website. Product maintenance will be disclosed in the product price list.

DELAYS: In the event construction delays or other causes, not within seller's control, prevent delivery to the installation site on the delivery date designated at time of purchase, product will be stored, at buyer's expense at an SKG-managed warehouse under the "short-term storage" clause below, until installation can be resumed. Any double-handling or redelivery charges shall be paid by buyer. All charges are the responsibility of the buyer.

Delays in installation can impact the ability to file warranty and concealed damage claims. All rejected claims due to delayed installation timelines not within the seller's control are the responsibility of the buyer.

SHORT-TERM STORAGE: Products stored at an SKG-managed warehouse, for any reason beyond the seller's control and in excess of 30-days beyond the delivery date designated at time of purchase, will incur storage fees invoiced to buyer at standard monthly rates published in the SKG Storage Agreement.

PAYMENT: All product received will be considered accepted by the buyer for purposes of payment. Buyer shall reserve the right to withhold 10% of the invoice amount for invoiced undelivered product along with associated dealer services fees until product is installed and complete. Any product received but is not able to be installed due to client delays or construction delays is subject to payment, along with any storage and double handling fees

Buyer agrees to pay a finance charge of 1.5% per month at the annual percentage rate of 18% on all delinquent invoices as well as expenses, attorney fees and court costs which seller incurs by reason of buyer's default. Any use tax, sales tax, excise tax, duty, custom or fee imposed by a government authority is the responsibility of the buyer. SKG hereby retains, and buyer hereby grants to SKG, a purchase money security interest in the merchandise until the entire price of the merchandise is paid in full. Buyer hereby appoints SKG as its true and lawful attorney-in-fact for purposes of executing all documentation necessary to evidence and perfect this security interest. Buyer is solely responsible, and SKG hereby disclaims any liability, for loss or damage to the merchandise once delivered to buyer's designated location.

OUT OF STATE INVOICES FOR NON-EXEMPT CUSTOMERS: State sales or use tax may be due in connection with the purchase and delivery of tangible personal property to individuals and businesses. If sales tax is not charged, the purchaser is required to file a use tax return if tax is due in connection with the purchase and delivery. The notice is required pursuant to tax provisions in various states

ONLINE CREDIT CARD AND ACH PAYMENTS: We offer online payment options to pay with a credit card or ACH. All credit card transactions will incur a 3% service fee. Our online payment portal is available on our website here: <https://skgtexas.com/about/payment-options/>.

AUSTIN HOUSING AUTHORITY

BOARD ACTION REQUEST

Assisted Housing ITEM 6.

MEETING DATE:	September 17, 2026
STAFF CONTACT:	Laura Bodai
ITEM TITLE:	Presentation and Discussion of Proposed Housing Choice Voucher Program Administrative Plan Revisions for Public Comment
BUDGETED ITEM:	N/A
TOTAL COST:	N/A

ACTION

Staff is presenting a high-level overview of proposed revisions to Austin Housing Authority's Housing Choice Voucher Program Administrative Plan that will be posted for public review and comments. No voting action is required at this time.

SUMMARY

Background: The Housing Choice Voucher (HCV) Administrative Plan is required by the U.S. Department of Housing and Urban Development (HUD) and establishes the policies used to administer HACA's rental assistance programs. The Administrative Plan serves as a supporting document to HACA's Agency Plan and must be approved by the Board of Commissioners and made available for public review in accordance with federal regulations.

On July 29, 2016, The Housing Opportunity through Modernization Act of 2016 (HOTMA) was signed into law. HOTMA makes numerous amendments to Sections 3, 8, and 16 of the United States Housing Act of 1937(1937 Act), including significant changes to income calculation, net family assets, and income reviews.

HUD finalized HOTMA regulations in 2023, implementing significant changes related to income reviews, income calculations, family assets, deductions, and rent determinations for assisted housing programs. These regulatory changes require housing authorities to update local policies and administrative procedures.

Housing authorities are required to update their policies and administrative procedures to comply with HOTMA.

Austin Housing Authority's (AHA) Assisted Housing staff has completed a comprehensive review of the Administrative Plan and is proposing revisions to comply with HUD's Housing

Opportunity Through Modernization Act (HOTMA), subsequent HUD regulations, and other federal guidance issued since the last major update. **The vast majority of the proposed changes are required by HUD and do not represent discretionary policy changes made by AHA.** The updated Administrative Plan includes numerous revisions, but the most significant changes for HCV participants include:

1. HUD-Required Changes to Income Calculations and Annual Recertification Requirement

- HUD revised how household income and assets are calculated and reviewed for purposes of determining eligibility and tenant rent contributions.
- The updates provide additional opportunities to streamline annual reviews and reduce documentation requirements for participants and staff.

2. HUD-Required Changes to Deductions in Rent Calculations

- HUD revised several deductions used to calculate adjusted income, including dependent, medical, disability assistance, and childcare-related deductions.
- These changes may impact rent calculations for certain households.

3. HUD-Required New Hardship Protections

- HOTMA requires housing authorities to establish hardship protections for certain families negatively impacted by changes to medical, disability assistance, and childcare-related deductions.

Process: The proposed Administrative Plan revisions will be posted for public comment for a period of thirty (30) days. Staff anticipates posting the revisions on September 18, 2026. Public comments received during this period will be reviewed and considered by staff.

To ensure timely adoption of the HCV Administrative Plan, staff will return to the Board on November 19, 2026 with:

- A detailed overview of the proposed Administrative Plan revisions;
- A summary of staff's consideration of and response to any public comments received; and
- A recommendation to adopt the final revisions to AHA's Housing Choice Voucher Administrative Plan

A "HOTMA 101" one-sheeter is attached for the Board's review and reference.

HOTMA_101_Board_One_Sheet

HOTMA 101

Housing Opportunity Through Modernization Act

WHAT IS HOTMA?

HOTMA is a 2016 federal law that changes how HUD-assisted housing programs determine income, assets, deductions, and certain rent adjustments. It applies to Public Housing, the Housing Choice Voucher Program, Project-Based Rental Assistance (PBRA) and other HUD-assisted programs.

WHY CONGRESS ENACTED IT

- Modernize rules that had become complex
- Improve consistency across HUD programs
- Reduce unnecessary administrative work where possible
- Strengthen accuracy and program integrity

KEY AREAS OF CHANGE

INCOME	ASSETS	RECERTIFICATIONS
Updates definitions and methods used to calculate household income.	Adds and revises rules for reviewing assets and related income.	Changes certain annual and interim review requirements.

WHAT HOTMA IS INTENDED TO IMPROVE

FOR HOUSING PARTICIPANTS	FOR HOUSING PROVIDERS
More consistent income and asset determinations Fewer adjustments for some minor income changes Clearer rules and potentially less documentation in some circumstances	More standardized eligibility and rent calculations Opportunities to streamline selected reviews Updated tools for balancing service, accuracy, and compliance

BOARD TAKEAWAY

HOTMA is a significant modernization of federal housing rules, but implementation is complex and still evolving. The near-term focus is careful preparation and compliance. Any simplification or service improvements will depend on final HUD direction, software system readiness, policy changes (such as the HCV Administrative Plan), and effective implementation.

AUSTIN HOUSING AUTHORITY

BOARD ACTION REQUEST

Quality Control ITEM 7.

MEETING DATE:	September 17, 2026
STAFF CONTACT:	Kelly Crawford, Director of Compliance Oversight
ITEM TITLE:	Presentation and Discussion of the Draft 2027 Public Housing Authority (PHA) Annual Plan
BUDGETED ITEM:	N/A
TOTAL COST:	N/A

ACTION

This is a presentation and discussion of the Draft 2027 Public Housing Authority (PHA) Annual Plan that will go out for public comment for 45 days beginning Friday, September 18, 2026. No formal vote is required of the Board at this time. The Board is being asked to review the Plan, approve staff taking the document out for a 45-day public comment period, and return the Plan to the Board for final consideration at the November 2026 meeting.

SUMMARY

Background:

The Five-Year and Annual PHA Plans provide a ready source for interested parties to locate basic PHA policies, rules and requirements concerning its operations, programs, and services, including changes to these policies. They also inform HUD, families served by the PHA, and members of the public of the PHA's mission, goals and objectives for serving the needs of low-income and extremely low-income families. Form HUD-50075-HCV is to be completed annually by PHAs who administer Housing Choice Voucher (HCV) programs without public housing units, such as Austin Housing Authority. Since there were no changes to the Five-Year Plan, this action item only addresses the PHA Annual Plan.

Process:

Housing Opportunity through Modernization Act (HOTMA) Summary of Proposed Changes

Housing Authorities are required to update their policies to comply with HOTMA. Staff completed a comprehensive review of the Administrative Plan and is proposing the following

revisions to ensure compliance. The majority of the proposed revisions are federally mandated.

The most significant proposed changes include:

- **HUD Required Changes to Income Calculations and Annual Recertification Requirements**

HUD revised how household income is calculated and reviewed for purposes of rental assistance eligibility and tenant rent contributions. The updated regulations also expand opportunities to streamline annual recertifications by utilizing verified income information from HUD and other government benefit programs, reducing documentation requirements for participants and administrative burden for staff.

- **HUD Required Changes to Deductions Used in Rent Calculations**

HUD revised several deductions used to calculate adjusted household income, including deductions related to dependents, medical expenses, disability assistance expenses, and childcare expenses. These changes may impact rent calculations for certain households depending on their individual circumstances.

- **New Hardship Protections Required by HUD**

HOTMA requires housing authorities to establish hardship protections for households that may be negatively affected by certain deduction-related changes. These provisions are intended to provide temporary relief for qualifying families experiencing financial hardship as a result of the new federal requirements.

Staff Recommendation:

The Board is being asked to review the Plan, provide input on proposed revisions, and support taking the document out for a 45-day public comment period. All proposed revisions are reflected in the draft Housing Choice Voucher Administrative Plan. Staff will return the Plan to the Board with any public comments received, and a detail review of proposed revisions for the Board's consideration and approval at the November 19, 2026, Board meeting.

Draft Item PHA Annual Plan FY 2027

2027 PUBLIC HOUSING AUTHORITY ANNUAL PLAN

A 45-Day Public Comment Period for the 2027 PHA Annual Plan will commence on Friday, September 18, 2026 and conclude on Monday, November 2, 2026. A Public Hearing will be held September 30, 2026 at noon to receive public input for the draft 2027 Annual Plan. The final draft will be presented to the AHA Board of Commissioners for approval at the November 19, 2026 Board of Commissioners meeting.

Streamlined Annual PHA Plan (HCV Only PHAs)	U.S. Department of Housing and Urban Development Office of Public and Indian Housing	OMB No. 2577-0226 Expires: 09/30/2027
--	---	--

Purpose. The 5-Year and Annual PHA Plans provide a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services. They also inform HUD, families served by the PHA, and members of the public of the PHA's mission, goals, and objectives for serving the needs of low-, very low-, and extremely low- income families.

Applicability. The Form HUD-50075-HCV is to be completed annually by **HCV-Only PHAs**. PHAs that meet the definition of a Standard PHA, Troubled PHA, High Performer PHA, Small PHA, or Qualified PHA do not need to submit this form. Where applicable, separate Annual PHA Plan forms are available for each of these types of PHAs.

Definitions.

- (1) **High-Performer PHA** – A PHA that owns or manages more than 550 combined public housing units and housing choice vouchers (HCVs) and was designated as a high performer on both the most recent Public Housing Assessment System (PHAS) and Section Eight Management Assessment Program (SEMAP) assessments if administering both programs, SEMAP for PHAs that only administer tenant-based assistance and/or project-based assistance, or PHAS if only administering public housing.
- (2) **Small PHA** - A PHA that is not designated as PHAS or SEMAP troubled, that owns or manages less than 250 public housing units and any number of vouchers where the total combined units exceed 550.
- (3) **Housing Choice Voucher (HCV) Only PHA** - A PHA that administers more than 550 HCVs, was not designated as troubled in its most recent SEMAP assessment and does not own or manage public housing.
- (4) **Standard PHA** - A PHA that owns or manages 250 or more public housing units and any number of vouchers where the total combined units exceed 550, and that was designated as a standard performer in the most recent PHAS and SEMAP assessments.
- (5) **Troubled PHA** - A PHA that achieves an overall PHAS or SEMAP score of less than 60 percent.
- (6) **Qualified PHA** - A PHA with 550 or fewer public housing dwelling units and/or HCVs combined and is not PHAS or SEMAP troubled.

A. PHA Information.	
A.1	PHA Name: <u>Austin Housing Authority</u> PHA Code: <u>TX001</u> PHA Plan for Fiscal Year Beginning: (MM/YYYY): <u>04/01/2027</u> PHA Inventory (Based on Annual Contributions Contract (ACC) units at time of FY beginning, above) Number of Housing Choice Vouchers (HCVs) <u>5762</u> PHA Plan Submission Type: ☒ Annual Submission ☐ Revised Annual Submission Public Availability of Information. In addition to the items listed in this form, PHAs must have the elements listed below readily available to the public. A PHA must identify the specific location(s) where the proposed PHA Plan, PHA Plan Elements, and all information relevant to the public hearing and proposed PHA Plan are available for inspection by the public. Additionally, the PHA must provide information on how the public may reasonably obtain additional information of the PHA policies contained in the standard Annual Plan but excluded from their streamlined submissions. At a minimum, PHAs must post PHA Plans, including updates, at each Asset Management Project (AMP) and main office or central office of the PHA and should make documents available electronically for public inspection upon request. PHAs are strongly encouraged to post complete PHA Plans on their official websites and to provide each resident council with a copy of their PHA Plans. Availability of Information: A 45-day Public Comment Period for the 2027 PHA Annual Plan will commence on Friday, September 18, 2026 and concludes Monday, November 2, 2026 at 5 PM. A public hearing will be held on Wednesday, September 30, 2026 at noon to receive public input for the draft 2026 PHA Annual Plan as well as the HCV Administrative Plan. The final draft will be presented to the AHA Board of Commissioners for approval at the November 19, 2026 Board of Commissioners meeting. A copy of the draft 2027 PHA Annual Plan is available on Austin Housing Authority's website, www.austinha.org. All supporting documentation is available at the AHA Central Office or via the AHA website.

	Lead HA:				
B.	Plan Elements.				
B.1	Revision of Existing PHA Plan Elements. a) Have the following PHA Plan elements been revised by the PHA since its last Annual Plan submission? Y N ☐ ☐ ☐ ☐ ☐ ☐ ☐ ☐ ☐ ☐ ☐ ☒ Statement of Housing Needs and Strategy for Addressing Housing Needs. ☒ Deconcentration and Other Policies that Govern Eligibility, Selection, and Admissions. ☒ Financial Resources. ☒ Rent Determination. ☒ Operation and Management. ☒ Informal Review and Hearing Procedures. ☒ Homeownership Programs. ☒ Self Sufficiency Programs and Treatment of Income Changes Resulting from Welfare Program Requirements. ☒ Substantial Deviation. ☒ Significant Amendment/Modification. (b) If the PHA answered yes for any element, describe the revisions for each element(s):				

B.2	New Activities. (a) Does the PHA intend to undertake any new activities related to the following in the PHA's applicable Fiscal Year? Y N ☐ ☒ Project-Based Vouchers (b) If Project-Based Voucher (PBV) activities are planned for the applicable Fiscal Year, provide the projected number of PBV units and general locations, and describe how project-basing would be consistent with the PHA Plan.
B.3	Progress Report. Provide a description of the PHA's progress in meeting its Mission and Goals described in its 5-Year PHA Plan. 1. Expand affordable housing opportunities and preserve existing assets to ensure long-term sustainability. AHA continues to revitalize our assets, seek additional rental assistance vouchers, and advance innovative affordable housing solutions. AHA recently completed the renovation of Pathways at Rosewood Courts, which provides for new construction and preservation of units as well as a heritage center, a community green space, and 12 townhouse-style homes that will be sold to low-income, first-time home buyers. The Pathways at Santa Rita redevelopment project is in progress. It will more than double the units, from 97 original units to 200, and provide high-quality pre-K, modern amenities, and preservation of historic units. Through our subsidiary, Austin Affordable Housing Corporation (AAHC), additional properties that are either developed and/or acquired accept voucher holders, providing greater choice within our service area. In the past year, AAHC has added over 3,000 additional units to their affordable housing portfolio, exceeding 28,000 units. 2. Optimize the reach and impact of opportunities for residents and clients to improve their quality of life, achieve self-sufficiency, and reach their full potential. AHA promotes individual responsibility and high expectations and fosters results-based community partnerships and programs focused on our 5 pillars of health and wellness, homeownership, digital inclusion, workforce development, and youth educational success. Scholarships are provided to eligible students to assist with the cost of higher education and to improve self-sufficiency. Among many resident-oriented programs, AHA launched the Project Based Rental Assistance Family Self Sufficiency program to build upon our Housing Choice Voucher Family Self Sufficiency program to connect families to resources on their journey to self-sufficiency. 3. Attract, support, develop and retain a talented and impactful workforce that prioritizes AHA's values. AHA invests in our staff, ensures accountability and effective communication, and promotes an innovative, healthy and safe work environment with training and leadership development strategies. This is accomplished through a generous benefit package, wellness programs, tuition reimbursement programs, employee referral program to aid in recruitment, family scholarships, and a hybrid/telecommuting policy. We also periodically conduct salary studies to ensure we are competitive in the local employment market. AHA has implemented a learning management system to provide ongoing opportunities for staff training and education. AHA is also creating a leadership academy to support succession planning, strengthen employee knowledge and competencies, and identify and empower emerging agency leaders. 4. Support organizational efficiency that prioritizes agency resilience, sustainability, and the safety of residents and staff. AHA undertakes initiatives to assess program and process changes necessary with focus on ongoing development of energy conservation efforts, a secure technology infrastructure, improving business continuity to be adaptable to the ever-changing situations that can interrupt operations, as well as evaluation and promotion of safety measures to further protect residents and staff. One recent project involved water conservation programs for several properties that will result in significant savings over the next two years. More work will be performed to review portfolio energy consumption data to explore opportunities for conservation and other methods for operating cost reduction and sustainability. 5. Foster exceptional customer service and enhance communications with stakeholders to nurture strong partnerships and increase community awareness. AHA pursues opportunities to implement best practices that enhance communications with customers and stakeholders and promotes awareness of our services within the community. We recently redesigned AHA's website to streamline information, reflect new branding and improve the user experience for residents, staff, and stakeholders.

B.4	Capital Improvements. – Not Applicable
B.5	Most Recent Fiscal Year Audit. (a) Were there any findings in the most recent FY Audit? Y N N/A ☐ ☒ ☐ (b) If yes, please describe:
C.	Other Document and/or Certification Requirements.
C.1	Resident Advisory Board (RAB) Comments. (a) Did the RAB(s) have comments to the PHA Plan? Y N ☐ ☐ (b) If yes, comments must be submitted by the PHA as an attachment to the PHA Plan. PHAs must also include a narrative describing their analysis of the RAB recommendations and the decisions made on these recommendations.

C.2	Certification by State or Local Officials. Form HUD 50077-SL, <i>Certification by State or Local Officials of PHA Plans Consistency with the Consolidated Plan</i>, must be submitted by the PHA as an electronic attachment to the PHA Plan.
C.3	Civil Rights Certification/ Certification Listing Policies and Programs that the PHA has Revised since Submission of its Last Annual Plan. Form HUD-50077-ST-HCV-HP, <i>PHA Certifications of Compliance with PHA Plan, Civil Rights, and Related Laws and Regulations Including PHA Plan Elements that Have Changed</i>, must be submitted by the PHA as an electronic attachment to the PHA Plan.
C.4	Challenged Elements. If any element of the PHA Plan is challenged, a PHA must include such information as an attachment with a description of any challenges to Plan elements, the source of the challenge, and the PHA's response to the public. (a) Did the public challenge any elements of the Plan? Y ☐ N ☐ (b) If yes, include Challenged Elements.

Instructions for Preparation of Form HUD-50075-HCV Annual PHA Plan for HCV-Only PHAs

A. PHA Information. All PHAs must complete this section (24 CFR 903.4).

- A.1** Include the full **PHA Name, PHA Code, PHA Type, PHA Fiscal Year Beginning (MM/YYYY), Number of Housing Choice Vouchers (HCVs), PHA Plan Submission Type,** and the **Public Availability of Information,** specific location(s) of all information relevant to the public hearing and proposed PHA Plan. Note: The number of HCV's should include all special purpose vouchers (e.g. Mainstream Vouchers, etc.) (24 CFR 903.23(e)).

PHA Consortia: Check box if submitting a Joint PHA Plan and complete the table (24 CFR 943.128(a)).

B. Plan Elements. All PHAs must complete this section (24 CFR 903.11(c)(3)).

B.1 Revision of Existing PHA Plan Elements. PHAs must:

Identify specifically which plan elements listed below that have been revised by the PHA. To specify which elements have been revised, mark the "yes" box. If an element has not been revised, mark "no."

☐ **Statement of Housing Needs and Strategy for Addressing Housing Needs.** Provide a statement addressing the housing needs of low-income, very low-income and extremely low-income families and a brief description of the PHA's strategy for addressing the housing needs of families who reside in the jurisdiction served by the PHA and other families who are on the Section 8 tenant-based assistance waiting lists. The statement must identify the housing needs of (i) families with incomes below 30 percent of area median income (extremely low-income); (ii) elderly families (iii) households with individuals with disabilities, and households of various races and ethnic groups residing in the jurisdiction or on the public housing and Section 8 tenant-based assistance waiting lists based on information provided by the applicable Consolidated Plan, information provided by HUD, and generally available data. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.

The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location. (24 CFR 903.7(a)(2)(i)). Provide a description of the ways in which the PHA intends, to the maximum extent practicable, to address those housing needs in the upcoming year and the PHA's reasons for choosing its strategy (24 CFR 903.7(a)(2)(ii)).

☐ **Deconcentration and Other Policies that Govern Eligibility, Selection, and Admissions.** A statement of the PHA's policies that govern resident or tenant eligibility, selection and admission including admission preferences for HCV (24 CFR 903.7(b)).

☐ **Financial Resources.** A statement of financial resources, including a listing by general categories, of the PHA's anticipated resources, such as PHA HCV funding and other anticipated Federal resources available to the PHA, as well as tenant rents and other income available to support tenant-based assistance. The statement also should include the non-Federal sources of funds supporting each Federal program and state the planned use for the resources (24 CFR 903.7(c)).

☐ **Rent Determination.** A statement of the policies of the PHA governing rental contributions of families receiving tenant-based assistance, discretionary minimum tenant rents, and payment standard policies (24 CFR 903.7(d)).

☐ **Operation and Management.** A statement that includes a description of PHA management organization, and a listing of the programs administered by the PHA (24 CFR 903.7(e)).

☐ **Informal Review and Hearing Procedures.** A description of the informal hearing and review procedures that the PHA makes available to its applicants (24 CFR 903.7(f)).

☐ **Homeownership Programs.** A statement describing any homeownership programs (including project number and unit count) administered by the agency under section 8y of the 1937 Act, or for which the PHA has applied or will apply for approval (24 CFR 903.7(k)).

☐ **Self Sufficiency Programs and Treatment of Income Changes Resulting from Welfare Program Requirements.** A description of any PHA programs relating to services and amenities coordinated, promoted, or provided by the PHA for assisted families, including those resulting from the PHA's partnership with other entities, for the enhancement of the economic and social self-sufficiency of assisted families, including programs provided or offered as a result of the PHA's partnerships with other entities, and activities subject to Section 3 of the Housing and Community Development Act of 1968 (24 CFR Part 135) and under requirements for the Family Self-Sufficiency Program and others. Include the program's size (including required and actual size of the FSS program) and means of allocating assistance to households. (24 CFR 903.7(l)(i)) Describe how the PHA will comply with the requirements of section 12(c) and (d) of the 1937 Act that relate to treatment of income changes resulting from welfare program requirements (24 CFR 903.7(l)(iii)).

☐ **Substantial Deviation.** PHA must provide its criteria for determining a "substantial deviation" to its 5-Year Plan (24 CFR 903.7(s)(2)(i)).

☐ **Significant Amendment/Modification.** PHA must provide its criteria for determining a "Significant Amendment or Modification" to its 5-Year and Annual Plan (24 CFR 903.7(s)(2)(ii)).

If any boxes are marked "yes", describe the revision(s) to those element(s) in the space provided.

- B.2 New Activities.** If the PHA intends to undertake any new activities related to these elements in the applicable Fiscal Year, mark "yes" for those elements, and describe the activities to be undertaken in the space provided. If the PHA does not plan to undertake these activities, mark "no."

☐ **Project-Based Vouchers.** Describe any plans to use HCVs for new project-based vouchers, which must comply with PBV goals, civil rights requirements, Housing Quality Standards (HQS) and deconcentration standards, as stated in 24 CFR 983.55(b)(1) and set forth in the PHA Plan statement of deconcentration and other policies that govern eligibility, selection, and admissions. If using project-based vouchers, provide the projected number of project-based units and general locations (including if PBV units are planned on any former or current public housing units or sites), and describe how project-basing would be consistent with the PHA Plan (24 CFR 903.7(b)(3), 24 CFR 903.7(r)).

- B.3 Progress Report.** For all Annual Plans following submission of the first Annual Plan, a PHA must include a brief statement of the PHA's progress in meeting the mission and goals described in the 5-Year PHA Plan (24 CFR 903.11(c)(3), 24 CFR 903.7(s)(1)).
- B.4 Capital Improvements.** This section refers to PHAs that receive funding from the Capital Fund Program (CFP) which is not applicable for HCV-Only PHAs.
- B.5 Most Recent Fiscal Year Audit.** If the results of the most recent fiscal year audit for the PHA included any findings, mark "yes" and describe those findings in the space provided (24 CFR 903.7(p)).

C. Other Document and/or Certification Requirements.

- C.1 Resident Advisory Board (RAB) comments.** If the RAB had comments on the annual plan, mark "yes," submit the comments as an attachment to the Plan and describe the analysis of the comments and the PHA's decision made on these recommendations (24 CFR 903.13(c), 24 CFR 903.19).
- C.2 Certification by State or Local Officials.** Form HUD-50077-SL, *Certification by State or Local Officials of PHA Plans Consistency with the Consolidated Plan*, must be submitted by the PHA as an electronic attachment to the PHA Plan (24 CFR 903.15). Note: A PHA may request to change its fiscal year to better coordinate its planning with planning done under the Consolidated Plan process by State or local officials as applicable.
- C.3 Civil Rights Certification/ Certification Listing Policies and Programs that the PHA has Revised since Submission of its Last Annual Plan.** Provide a certification that the following plan elements have been revised, provided to the RAB for comment before implementation, approved by the PHA board, and made available for review and inspection by the public. This requirement is satisfied by completing and submitting form HUD-50077 ST-HCV-HP, *PHA Certifications of Compliance with PHA Plan, Civil Rights, and Related Laws and Regulations Including PHA Plan Elements that Have Changed*. Form HUD-50077-ST-HCV-HP, *PHA Certifications of Compliance with PHA Plan, Civil Rights, and Related Laws and Regulations Including PHA Plan Elements that Have Changed* must be submitted by the PHA as an electronic attachment to the PHA Plan. This includes all certifications relating to Civil Rights and related regulations. A PHA will be considered in compliance with the certification requirement to affirmatively further fair housing if the PHA fulfills the requirements of 24 CFR 5.150 *et seq.*, 24 CFR 903.7(o)(1), and 24 CFR 903.15.
- C.4 Challenged Elements.** If any element of the Annual PHA Plan or 5-Year PHA Plan is challenged, a PHA must include such information as an attachment to the Annual PHA Plan or 5-Year PHA Plan with a description of any challenges to Plan elements, the source of the challenge, and the PHA's response to the public (24 CFR 903.23(b)).

This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937, as amended, which introduced the Annual PHA Plan. The Annual PHA Plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public for serving the needs of low- income, very low- income, and extremely low- income families.

Public reporting burden for this information collection is estimated to average 4.52 hours per response, including the time for reviewing instructions, searching existing data sources, gathering, and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions to reduce this burden, to the Reports Management Officer, REE, Department of Housing and Urban Development, 451 7th Street, SW, Room 4176, Washington, DC 20410-5000. When providing comments, please refer to OMB Approval No. 2577-0226. HUD may not collect this information, and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

Privacy Notice. The United States Department of Housing and Urban Development is authorized to solicit the information requested in this form by virtue of Title 12, U.S. Code, Section 1701 *et seq.*, and regulations promulgated thereunder at Title 12, Code of Federal Regulations. Responses to the collection of information are required to obtain a benefit or to retain a benefit. The information requested does not lend itself to confidentiality.
